INFO AND TIPS

This pattern is worked in cluster V stitch, but for the sake of ease it's referred to as V stitch throughout. To work a DC2TOG: *Yarn over, insert through ST, yarn over, pull through ST, yarn over, pull through 2 loops on hook*. Repeat from * to * once more, then yarn over and pull through the remaining 3 loops on the hook.

Your body is worked in rounds and turned at the end of each round. You then split the body into two sections and work the top in rows, turning at the end of each row.

I don't join my starting chain because I find it too fiddly, I join after my first row of DC and use my yarn tail to close the gap.

When working into the side of a ST, I like to pick up a loop from the ST next to it to prevent any gaps forming.

Your turning CH counts as a ST throughout.

MAIN BODY

CH 108 (114) 120 (126) 132.

Row 1: DC in fourth CH from hook and each CH along. SS to start CH to join, CH3, turn. A total of 106 (112) 118 (124) 130 DC.

Row 2: SK ST at base of CH, then *SK 2 ST, V in next ST* until 3 ST remain. DC in final ST, SS to CH3 to join. CH3, turn. A total of 34 (36) 38 (40) 42 V ST.

Row 3: V in each CH SP to end. DC between final V and final DC. SS to CH3 to join, CH3, turn. Repeat row 3 until you have a total of 18 (18) 18 (20) 22 V ST rows. At the end of your final row CH3 and turn.

BACK PANEL

Row 1: V in the next 17 (18) 19 (20) 21 CH SP. DC in SP **between** the last V you worked and the next V. CH3, turn.

Row 2: V in each CH SP to end. DC between final V and final DC. CH3, turn.

Repeat row 2 until you have a total of 8 (10) 12 (12) 12 V ST rows **in this section**. At the end of your final row FO leaving a long tail for seaming.

FRONT PANEL

Join your yarn in the same SP as your final DC of the back panel, CH3.

Row 1: V in each CH SP to end. DC between final V and final DC, CH3, turn. You should have a total of 17 (18) 19 (20) 21 V ST.

Repeat row 1 until you have a total of 4 (6) 6 (6) 6 rows **in this section**. At the end of your final row CH3 and move onto neckline one.

Neckline one

Row 1: V in the next 8 (9) 9 (10) 10 CH SP. For sizes 1-2 years, 5-6 years and 9-10 years, DC in the next CH SP, CH3, turn. For sizes 3-4 years and 7-8 years, DC in the space **between** the last V you worked and the next V. CH3, turn.

Row 2: V in each CH SP from the previous row. DC between final V and final DC. CH3, turn. Repeat row 2 until you have a total of 4 (4) 6 (6) 6 rows **in this section**. FO, leaving a long tail for seaming.

Neckline two

Join your yarn in the same SP as your final DC from neckline one row 1 and CH3.

Row 1: V in each CH SP from the previous row. DC between final V and final DC. CH3, turn. Repeat row 1 until you have a total of 4 (4) 6 (6) 6 rows **in this section**. FO, leaving a long tail for seaming.

Seaming

Seam your shoulders using your long yarn tails leaving 3 (4) 4 (5) 6 V ST open in the centre of both panels. You'll need to weave them through these ST before seaming. Leave your tails after seaming to close any gaps which form when working the collar.

COLLAR

With right side facing you, join your yarn at the front of your work and CH3.

Row 1: V in each CH SP around the neckline. DC between final V and final DC. CH3, turn. You should have a total of 12 (16) 16 (20) 24 V ST.

Repeat row 1 until you have a total of 4 (5) 5 (6) 6 rows.

At the end of your final row, CH1 to begin working your edging.

Place 2SC in the side of each collar ST then 2SC in the side of each neckline ST. SC into the SP at the front of the neckline, then continue to work 2SC into the side of each ST along the other side of the neckline and collar edge. SC in each ST and CH around the collar edge. SS to CH1 to join, FO and weave in your ends. Sew your button to the front of your piece around neckline row 2.

SLEEVES

CH 28 (30) 32 (34) 34

Row 1: DC in fourth CH from hook and each CH along. SS to start to join, CH3, turn.

Row 2: DC in each ST from the previous row. SS to CH3 to join, CH3, turn.

Row 3: SK ST at base of CH, *V in next ST, SK next ST* around. V in final ST. SS to CH3 to join, CH3, turn. A total of 13 (14) 15 (16) 16 V ST.

Row 4: V in each CH SP from the previous row until 1 CH SP remains. 2 V ST in final CH SP. SS to CH3 to join, CH3, turn.

Repeat row 4 until you have a total of 4 (7) 10 (9) 9 V ST rows and 16 (20) 24 (24) 24 V ST. Continue to work V ST rounds without increasing until you have a total of 21 (22) 23 (24) 25 V ST rows. At the end of your final row, SS to CH3 to join. CH1 and turn inside out.

NOTE: keep an eye on the length of your sleeve as you go and adjust accordingly to ensure the best fit.

Sleeve seaming

With wrong side facing you, SC your sleeve to your body panels by joining the tops of each V ST with the side of one body panel DC. You should have 16 (20) 24 (24) 24 V ST to join with 8 (10) 12 (12) 12 DC sides. FO and use your yarn tail to close any gaps in the underarm.

Repeat sleeve and seaming for the other side.

Weave in all your ends and you're done!

Enjoy!

Lauren
