Top

(With col 116)

The top is worked into the spiral of front loops left unworked along the top of the stem.

Insert hook in front loop of round 15 and work your way towards the middle.

1. row: inc in each st working flo [252] ch 1, turn

2. row: 1 sc in each st [252] ch 1, turn

3. row: inc in each st [504]

Fasten off leaving a long tail. Sew the sts together, making the top of the broccoli so dense you cannot see the stem through the top.

Enjoy!
