Repeat row 1 until the scarf measures approx. 50 cm (19.6 inches).

Now, cut 16 strands each measuring 15 cm (5.9 inches) for fringes. Take two strands and fold them double. Use the hook to pull the strands through the scarf. Insert the ends into the loop and tighten to "lock" them. Repeat until you have 4 fringes at each end of the scarf. Cut the fringes to the desired length.

Assembling

· Sew on the nose on rounds 16-18 in the middle of the face.

· Sew the hood onto the head and nose.

· Embroider eyebrows and snout on the head as shown in the picture.

· Sew the ears onto the two "corners" of the head.

· Attach the head to the body by sewing the 18 single crochets of the head together with the 18 single crochets of the body. Stuff some extra stuffing into the neck before closing completely to avoid a wobbly head.

· Stuff a bit of stuffing into the arms but be careful not to stuff them all the way up to the edge. Sew the arms onto the body on round 45.

· Put stuffing into the legs but be careful not to stuff them all the way up to the edge. Sew the legs onto the body on round 4.

· Sew on the tail in the middle of the backside where you prefer.

Put the scarf on Miko and he is finished!

Enjoy!
