TIPS AND INFO

The t-shirt is worked top-down with circular needles in stockinette stitch using C1. The yoke is worked according to the chart and features a neat pattern of bicycles in C2.

Placing a stitch marker between every repeat in the chart can be helpful to keep track of how far along you are in the chart and where to make your increases.

When knitting colorwork you always want to keep the dominant color closest to yourself on your finger.

In the places where the color changes are far apart, you can wrap the two strands of yarn around each other on the wrong side of the work to avoid long, loose strands that little fingers get caught in.

The chart is read top-down, right to left. Start at the arrow and move downwards.

BODY

Neckline

CO 72 (72) 76 (80) 80 (84) sts with circular needles 3 mm, 40 cm. Place a stitch marker – this now marks the beginning of the round. Work 3 (3) 3 (4) 4 (4) cm/ 1.2 (1.2) 1.2 (1.6) 1.6 (1.6) inches of ribbing (k1, p1).

Change to circular needles 4 mm and work one round evenly increasing 0 (0) 20 (16) 28 (24) sts. You will now have 72 (72) 96 (96) 108 (108) sts on your needles.

Now work according to chart A.

After working the entire chart, you will have 168 (168) 224 (224) 252 (252) sts on your needles.

Work another 1 (1) 2 (4) 5 (5) round(s) while increasing 20 (36) 0 (14) 0 (0) sts on the first round = (204) 224 (238) 252 (252) sts on your needles.

Divide body and sleeves

Now it is time to divide the sleeves from the body, let the sts for the sleeves rest on an extra circular needle or a piece of scrap yarn.

Knit 27 (30) 33 (35) 40 (40) sts, place the next 40 (42) 46 (48) 48 (48) sleeve sts on a piece of scrap yarn. CO 6 (6) 8 (8) 8 (8) new sts, knit 54 (60) 65 (71) 77 (82) sts, place the next 40 (42) 46 (48) 48 (48) sleeve sts on a piece of scrap yarn CO 6 (6) 8 (8) 8 (8) new sts. Knit the remaining 27 (30) 34 (36) 42 (40) sts.

Back and front panel

You will now have 120 (132) 148 (158) 172 (172) sts on your needles and the sts for the sleeves will be resting on a piece of scrap yarn. Place a st marker in the middle of the 6 (6) 8 (8) 8 (8) CO sts under the left sleeve. This will be the beginning of your rounds and you will measure your work from here.

Continue working st st in the round until work measures 14 (16) 21 (22) 23 (23) cm/ 5.5 (6.3) 8.3 (8.7) 9.1 (9.1) inches measured from the cast on sts under the arm, or desired length before the ribbing.

On the last round evenly decrease 10 (12) 14 (16) 18 (20) sts

Change to circular needles 3 mm, 60 cm and work 4 (4) 4 (5) 5 (5) cm/ 1.6 (1.6) 1.6 (2) 2 (2) inches of ribbing (k1, p1)

BO loosely in pattern.

SLEEVES (X2)

Move the 40 (42) 46 (48) 48 (48) sleeve sts onto your 4 mm circular needles or double pointed needles. Pick up and knit one st in each of the 6 (6) 8 (8) 8 (8) CO sts under the sleeve. You will now have 46 (48) 54 (56) 56 (56) sts on your needles. Place a st marker in the middle of the 6 (6) 8 (8) 8 (8) CO sts under the sleeve to mark the beginning of your round.

Continue working in the round until the sleeve measures 6 (6) 7 (7) 8 (9) cm/ 2.4 (2.4) 2.8 (2.8) 3.1 (3.5) inches or desired length before the ribbing.

Work one round while evenly decreasing 4 (4) 4 (6) 6 (6) sts.

Change to 3 mm needles and work 3 (3) 4 (4) 4 (4) cm/ 1.2 (1.2) 1.6 (1.6) 1.6 (1.6) inches of ribbing (k1, p1)

BO in pattern.

Make one more sleeve the same way.

Weave in the ends, wash and let dry flat.
