PATTERN INFORMATION

The Amalie sweater is the perfect garment to go for a walk in the city. The sweater is built by crocheting 2 body parts and 2 sleeves, joining them and adding some ribbing. The design is inspired by Amalie garden in Copenhagen and its view of the Marble Church's dome.

INFO AND TIPS

The Amalie vest consists of three different panels: front piece, back piece and two sleeves. Once crocheted, the panels are joined together. Finally, ribbing is added at the bottom of the sweater, wrists to form the wrist cuffs and neckline to create the neck.

All the pieces and ribbing are worked with two strands of yarn held together: one strand of Highland Wool and one strand of Diablo.

The body (front piece and back piece) is mostly crocheted with half double crochet on the back loop only. Whereas the sleeves are crocheted with a lace stitch (a combination of half double crochet on the back loop, chain and half double crochet slip stitch on the back loop). The ribbing is crocheted with slip stitch on the back loop.

The design is inspired by a charming location in Copenhagen: Amalie garden. The lace stitch in the centre and sleeves resemble the abstract columns that decorate the garden. The colour chosen is a reference to the Marble Church's magnificent dome, which can be seen from there. Wear it and feel like walking around this beautiful spot in the Danish city.

Special stitch:

hdc sl st blo = Yarn over, pull up a loop in back loop of next stitch, yarn over and pull through the stitch = 3 loops on the hook, now pull the yarn through the last two loops of the hook.

Gauge

Due to the use of different stitches, there are two different gauges:

- Gauge 1:

The gauge in body panels is 10 cm x 10 cm (4" x 4") = 17 sts x 11 rows.

To test your gauge, crochet a swatch of 20 stitches x 14 rows.

Ch 21

Row 1: 1 hdc in the second ch, 19 hdc. Ch 1 and turn.

Row 2: 19 hdc blo, 1 hdc. Ch 1 and turn.

Repeat row 2 until row 14. Fasten off.

Measure a 10 cm / 4" square in the centre of the swatch. You should have 17 sts x 11 rows.

- Gauge 2:

The gauge in the sleeves is 10 cm x 10 cm (4" x 4") = 18 sts x 12 rows.

To test your gauge, crochet a swatch of 21 stitches x 14 rows.

Ch 22

Row 1: 1 hdc in the second ch, 1 ch, [1 hdc blo, 1 ch and skip 1 st] 9 times, 1 hdc. Ch 1 and turn.

Row 2: 20 hdc sl st blo, 1 hdc sl st. Ch 1 and turn.

Row 3: [1 hdc blo, 1 ch and skip 1 st] 10 times, 1 hdc. Ch 1 and turn.

Repeat rows 2 and 3 until row 14.

Measure a 10 cm / 4" square in the centre of the swatch. You should have 18 sts x 12 rows.
