## PATTERN INFORMATION

A pretty blouse with a lovely, graphic structure and a beautiful diagonal line on both the front and the back piece, created with knit and purl stitches. It's knit from the bottom up on a 4 mm (US 6) needle and is joined with side seams to finish. Cozy Celine is knit with a strand of Sunbird, given your blouse the most beautiful play of colors.

NB! To get the same colors on the sleeves and shoulders, you may need to cut the yarn to achieve the same color transition on the front and back yoke.

## CONSTRUCTION

Sweater is worked in 2 separate pieces, Back and Front, bottom to top.

Sleeves are shaped by increasing new sts in each side.

Textured pattern consists of vertical and horizontal strands worked in k sts.

The shaping of the diagonal: With x-number of rows in between you add 4 k sts in the end of a horizontal strand. In this way strands will meet at an angle.

## BACK

Curled edging:

Row 1: WS Purl

Change to circular needles US 6 / 4 mm, 23.6" / 60 or 31.4" / 80 cm

Row 2-7: Work in St st. (remember edge st)

This creates an edge that curls up a bit.

Measure from here.

Row 18: work k on k and p on p to last 11 sts. K10, edge st.

**Note! Every time you work row 18, extend the horizontal k-strand by adding 4 sts to it in the end, k new sts.**
