

CROCHET PATTERN

Grace

Top

Design: Hookd Designs | Hobbii Design

MATERIALS

4 (4, 5, 5, 5, 5, 5, 6, 6) skeins of Malaga, color 03

Crochet hook 6 mm (US H/10)

Crochet hook 7 mm

Tape measure

Weaving needle

YARN QUALITY

 **Malaga**, Hobbii

100 % acrylic

100 g (3.5 oz) = 165 m (180 yds)

ABBREVIATIONS

ch = chain

ch-sp = chain space

sc = single crochet

dc = double crochet

hdc = half double crochet

st(s) = stitches

sl st = slip stitch

sk st = skip stitch

SIZE

XS (S, M, L, XL, 2XL, 3XL, 4XL, 5XL)

PATTERN INFORMATION

The Grace Top is a make to measure flowy light summer top (from size XS to 5XL). You can create it to suit your body perfectly.

Pattern

INFO AND TIPS

Measurements

Take the required measurements in advance and note them in the table below. You can adjust the measurements to get your preferred fit.

The measurements no. are in **bold** throughout the pattern to make it easier to refer to.

No.	Measurements	"/cm
1	Chest circumference (width of main body panel)	
2	Under bust to lower hip length (length of mesh to cover stomach - adjust this section to make the top cropped or full length)	
3	Collarbone to under bust (solid stitch over length of chest)	
4	Top of shoulder to under armpit (sleeve width - if you want oversized sleeves make this measurement slightly larger)	
5	Edge of shoulder to collarbone (shoulder sleeve width - if you want the top to sit off the shoulders make this measurement smaller)	
6	Collarbone to top of shoulder (this will be the height of the shoulder sections which create the neckline)	

BODY

You will make two identical panels. Keep track of your st count for the second panel.

Start chain

With hook 6 mm (US H/10)

Working in inches: $(\text{No. 1} + 4") / 2 =$ the length of your chain.

Working in cm: $(\text{No. 1} + 10 \text{ cm}) / 2 =$ the length of your chain.

NB: *The chain count needs to be odd!*

Row 1: Ch 2 and hdc in 3rd ch from hook, hdc across, turn

Row 2: Ch 3 (counts as first dc), *sk 1 st, 2 dc in next st* repeat across until 2 sts remaining, sk st and dc in last st, turn

Row 3: Ch 3 (counts as first dc), *sk 1 st, 2 dc between previous dcs* repeat across until 2 sts remaining, sk st and dc in last st, turn

Repeat row 3 6 more times

Mesh rows

With hook 7 mm

Row 1: Ch 4 (counts as first dc and ch 1), *sk st, dc between previous dcs, ch 1* repeat to end, dc in the last st, turn

Row 2: Ch 4 (counts as first dc and ch 1), *sk st, dc in dc, ch 1* repeat to end, dc in the last st, turn

Repeat Row 2 until the mesh measures **No. 2**

Chest rows

With hook 6 mm (US H/10)

Row 1: Ch 3 (counts as first dc), *sk 1 st, 2 dc in next st* repeat across until 2 sts remaining, sk st and dc in last st, turn

Row 2: Ch 3 (counts as first dc), *sk 1 st, 2 dc between previous dcs* repeat across until 2 sts remaining, sk st and dc in last st, turn

Repeat row 2 until the Chest rows measure 5 cm (2") *before* **No 3**.

Mesh rows

With hook 7 mm

Repeat Mesh row 1 once, and Mesh row 2 for 5 cm (2") or your desired height.

Shoulders

You need 2 stitch markers. Starting on the side you're working, measure **No 5**. and add a stitch marker. Repeat on the other side.

Row 1: Ch 4 (counts as first dc and ch 1), *sk st, dc in next, ch 1* repeat to st marker, dc in st marker st, turn

Repeat row 1 until you reach **No. 6**.

Tie off and join yarn on the other side and repeat

SEAM

Sc evenly across sts on both sides. Line up both panels.

Measure from the top of the shoulder down to **No. 4** and place a st marker through both panels. Repeat on the other side. Sew from the bottom of the panel up to your stitch marker seaming the sides together. Tie off, sew in the ends and repeat on the other side.

Seam the tops of the shoulders together.

NECKLINE BORDER

With hook 6 mm (US H/10)"

Attach yarn in the corner on the neckline. Ch 2 and hdc in same st. hdc in each st, sl st to ch 2 to join. Repeat round if you prefer a thicker border.

Tie off and sew in ends

SLEEVES

Try on the top before starting the sleeves to see where the shoulders sit and how long you need your sleeves to be.

Mesh rows

With hook 7 mm

Row 1: Attach yarn in bottom of sleeve opening and ch 3 (counts as dc), dc in each st around evenly, sl st to ch 3 to join

Row 2: Ch 4 (counts as first dc and ch 1), *sk st, dc in dc, ch 1* repeat to end, sl st to 3rd ch to join, turn

Repeat row 2 until the mesh reaches just before your wrist

Cuff Rows

With hook 6 mm (US H/10)

Row 1: Ch 3 (counts as first dc), 2 dc in same st *sk 1 st, 2 dc in next st* repeat around, sl st to ch 3 to join, turn

Row 2: Ch 3 (counts as first dc), *sk 1 st, 2 dc between previous dcs* repeat around sl st to ch 3 to join

Repeat row 2 4 more times or to desired length.

Tie off and sew in the ends. Repeat on the other side.

Enjoy!
