Pattern

INFO AND TIPS

Change out 1 strand of yarn at a time when changing colors for a more gradual shift.

NECK BAND

CO 96 sts on the smaller circular needle with 1 strand of Kid Silk Color C and 1 strand of Evergreen Color A. Work in the round in rib pattern *k1, p1* for 1½" / 4 cm.

YOKE

Change the Evergreen yarn with 1 strand of Kid Silk Color C, so that you have 2 strands of kid silk in the same color. Change to the larger circular needle.

Dividing the sts for raglan increases

Place a marker around the 1st st,

11 sts for the sleeve then place a marker around the next st.

35 sts for the front then place a marker around the next st.

11 sts for the sleeve then place a marker around the next st.

35 sts for the back = 4 marked sts

Begin Increases

M1 on either side of the marked st by picking up the bar between sts and twisting it = 8 sts increased per rnd. Work increases every other rnd.

NOTE Work the increases for the raglan yoke at the same time as you work the stripes. See the next section for details for each size of how many sts to increase.

STRIPES

Work the stripes by changing one color at a time as follows:

1st stripe

k 18 rnds with 2 strands of Kid Silk Color **C**

2nd stripe

k 34 rnds with 1 strand of Kid Silk Color **C** and 1 strand of Kid Silk Color **D**

3rd stripe

k 34 rnds with 1 strand of Kid Silk Color **D** and 1 strand of Kid Silk Color **E**

4th stripe

k 34 rnds with 2 strands of Kid Silk Color **E**

5th stripe – rib edge

Change to the smaller circular needle and work with 1 strand of Kid Silk Color **E** and 1 strand Evergreen Color **A**

Work 1 ½" (4 cm) in rib pattern *k1, p1*.

Size S

Continue increasing until there are 248 sts.
Then divide the work for the body and sleeves.

Size M

Continue increasing until there are 280 sts.
Then divide the work for the body and sleeves.

Size L

Continue increasing until there are 312 sts.

Size XL

Continue increasing until there are 344 sts.

All sizes

From here on work the sts for the sleeves and body as follows:

Place 50 (58) 66 (74) sts on a stitch holder for the sleeve

K across the next 74 (82) 90 (98)

Place 50 (58) 66 (74) sts on a stitch holder for the sleeve

K across the next 74 (82) 90 (98)

k in the round across the body's 148 (164) 180 (196) sts.

BODY

Work evenly with the stripe pattern until the rib edge is worked. Bind off loosely.

SLEEVES

Place the 50 (58) 66 (74) sleeve sts on DPNs.

Place a marker to indicate the beginning of the rnd (BOR).

Work in the rnd in stockinette with stripes matching the body, decreasing 1 st on either side of the BOR marker: k to 3 sts before marker, k2tog tbl, k 2, k2tog = 2 sts decreased.

NOTE Now work the 38 rnds in each color stripe until you reach the desired the sleeve length.

Decrease after every 2 ¾ (2 ¼) 2 (1 ½) in./ 7 (6) 5 (4) cm a total of 4 (5) 6 (7) times = 42 (48) 54 (60) sts.

Work evenly until the sleeve measures approx. 15 in (38 cm) or the desired length.

Decrease on the last rnd evenly so you have 34 (36) 38 (40) sts.

Sleeve Rib

Change to the smaller DPNs. Work 3" / 8 cm of rib pattern *k1, p1* Bind off loosely.
Make the second sleeve to match.

Happy knitting!
