## INFO AND TIPS

An important tip is to keep an eye on the gauge when knitting. This will determine whether the jacket will be too small, large or just right.

It is recommended to measure the finished work for the correct length of zipper.

Measure the arms and full length of the person who will use the finished work. Both sleeves and full length can easily be adjusted at the top and bottom of the jacket where it says "or desired length" in the text.

Feel free to put extra markers to mark the start/end of the reports.

## Front and back

With Denim (15) cast on 140 (154) 160 (184) 202 st on 5 mm (US 8) circular needle.

*Increase with 3 more p st for trimming when the work is to be assembled. These st must always be knitted in purl, but not counted in the work.*

Knit approx. 5 cm/ 2" of stockinette stitch. Change to Rusty Orange (28) and knit 1 round, then purl 3 rounds. Place a marker in the middle of the front, to the left of the 3 p. This marker now indicates the beginning of the round. Also place markers on each side at 35 and 105<sup>XS</sup> (38 and 116<sup>S</sup>) 40 and 120<sup>M</sup> (46 and 138<sup>L</sup>) 55 and 147<sup>XL</sup>. Knit stockinette stitch in Rusty Orange (28) for approx. 2 (4) 8 (8) 10 cm/ 0.8" (1.6") 3.1" (3.1") 3.9" or desired length.

Pay attention to the gauge - if necessary change to 5.5 mm (US 9) needle for working pattern section A part 1 & 2. Be sure to move the markers upwards while knitting.

Note that the sizes start on different columns:

**Size XS** begins at column 11. A total of 6 repeats are knitted. Knit the pattern section, and repeat it 1 more time. Then knit 2 sts of base color up to the mark at st 35. Then knit 2 sts,

before knitting the repeat from column 1. 3 repeats should be knitted on the back piece and end with 2 sts before the mark at st 105. Then knit 2 sts before knitting one and a half repeat before the round ends at the beginning of the 3 purl st. Repeat to round 82 in the section.

**Size S** begins at column 11. A total of 7 repeats are knitted.

Repeat to round 82 in the section.

**Size M** begins at column 11. A total of 6 repeats are knitted.

Knit the section, and repeat it 1 more time. Then knit 7 sts in the pattern's base color up to the mark at st 40.

Then knit 7 sts in the pattern's base color (a total of 14 sts under each arm): before the repeat is worked from column 1. 3 repeats are to be knitted on the back piece and finished with 7 sts in the pattern's base color before the marker at st 120.

Then knit 7 sts in the pattern's base color (a total of 14 sts under each arm) before knitting one and a half repetitions before the round ends at the beginning of the 3 purl sts.

Repeat to round 82 in the section.

**Size L** begins at column 1. A total of 8 repeats are knitted.

Knit the repeat 2 times and knit the pattern's base color for 2 sts to the marker at st 46.

Then knit 2 sts and 4 repeats and finish with 2 sts in the pattern's base color at st 138. Then knit 2 sts in the pattern's base color, before the repeat is worked 2 times towards the purl st at front center.

Repeat to round 82 in the section.

**Size XL** begins at column 11. A total of 9 repeats are knitted.

Knit the section, and repeat it 2 more times. Then knit 1 st in the base color to the marker at st 56.

Then knit 1 st in the pattern's base color before knitting the repeat from column 1. 4 repeats must be knitted on the back piece and finish with 1 st in the pattern's base color before the marker on the opposite side at st 146.

Then knit 1 st in the pattern's base color (a total of 2 sts under each arm) before knitting two and a half repeats before the round ends at the beginning of the 3 purl sts.

Repeat to round 82 in the section.

**From here it continues for all sizes:**

Continue with 1 round of Dark Purple (13) after round 82. Then knit approx. 5 (8) 9 (9) 12 cm/ 2" (3.1") 3.5" (3.5") 4.7" or desired length every other st in Apple green (22) and Soft Aqua (14).

Furthermore, cast off/knit together for the shoulders: Knit 1 round of Soft Aqua (14) while knitting together/joining 25 (27) 27 (31) 35 st (on the front and back) from the marker at each shoulder towards the middle.

Then cast off approx. 20 (23) 26 (30) 31 sts on front and back for the neck. Pick up 2 sts in each joining if knitted together (on each side of the neck, where the shoulders meet the neck) possibly 1 st in each joining if cast off to sew together afterwards. By picking up tot. 4 st (applies to both techniques) any holes in the joining on the shoulder up to the neck are sealed.

**Neck and hood**

Current stitch count: 44 (50) 56 (64) 66 st.

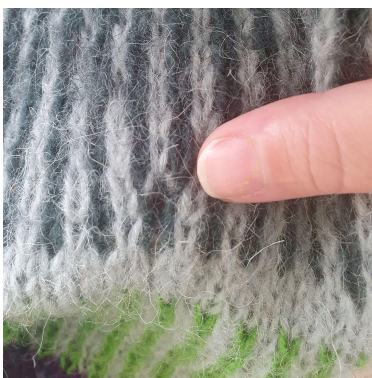

Knit 4 rounds in Soft Aqua (14).

Knit 3 rounds every other st in 1 m Soft Aqua (14) and Dark Green (25).

Feel free to change to a longer needle while increasing by a total of 10 st evenly distributed (applies to all sizes). Increases are made over 5 st evenly distributed, as follows:

Increase st at Dark Green (25) st by inserting a regular k st into the st from the previous round. Before knitting further, pick up 1 st in Soft Aqua (14) from the threads that remain at the back of the round below. Finish knitting the green st.

1 st has now become 1 Dark Green (25), 1 Soft Aqua (14), 1 Dark Green (25)

The total number of st on the hood is now 55 (60) 66 (74) 76 st. Continue to knit every other st Dark Green (25) / Soft Aqua (14) until the hood measures approx. 30 (30) 35 (35) 35 cm/ 11.8" (11.8") 13.8" (13.8") 13.8", before it is cast off on the right side/knitted together on the wrong side. Pick up st around the entire edge towards the face, and knit approx. 2 cm/ 0.8" rib, k2/p2, in Denim (15). Bind off the rib with an elastic bind-off or other preferred method.

## Sleeves

Cast on (as you cast on for double knitting with 2 colors) 36 (36) 40 (44) st with Soft Aqua (14) / Denim (15) on 3.5 mm (US 4) double pointed needles. Place a marker at the beginning of the round.

Knit in rib for approx. 7 cm/ 2.8": knit 2 in Soft Aqua (14) and purl 2 in Denim (15) m. Make sure that the threads remain on the back of the work when you change color.

After 7 cm/ 2.8" of rib, knit 1 round in Soft Aqua (14), while increasing, evenly spaced, with Soft Aqua (14) on the previous round:

4 (4) 15 (13) 11 st.

Knit 1 round in Soft Aqua (14) .

Knit 1 more round in Soft Aqua (14) while increasing by 4 (4) 15 (13) 11 st = tot. 44 (44) 66 (66) 66 st.

Change to 5 mm (US 8), 40 cm circular needle and knit stockinette stitch in Soft Aqua (14) for approx. 5.5 (5.5) 6 (7) 7.5 cm/ 2.2" (2.2") 2.4" (2.8") 3".

Knit pattern repeat B to round 45. All sizes start at column 1 of the repeat.

Then knit every second st Apple green (22) / Soft Aqua (14) for approx. 5.5 (5.5) 6 (6.5) 7.5 cm/ 2.2" (2.2") 2.4" (2.6") 3".

The sleeve should now measure approx. 46 (46) 47 (48.5) 50 cm/ 18.1" (18.1") 18.5" (19.1") 19.7" or desired length.

Finish: knit 1 round in Apple green (22) before you purl 5 rounds for covering, which must be sewn over the seam edge when assembling.

Put the work aside and knit one more sleeve.

## Assembly

Measure the sleeves at the very top to see how much you need to sew and cut on the front and back pieces. Place a marker on the front/back piece at the same length you measured on the sleeve. Sew 2 zigzag stitches from the top of the shoulder down on each side of the marker on each side of the front and back piece. Finish with a straight stitch over the seams on each side. Make sure there is enough space between the seams to cut open to insert the sleeve. Attach the sleeves on the wrong side/ right sides facing each other and the lining over the seam.

## Sewing the zipper

Sew 2 zigzag stitches from the top of the 3 p st all the way down to the marker. Finish with a straight stitch over the seams on each side. Make sure there is enough space between the seams to cut up. Cut away the excess wound edge and fold in the seams, then attach the zip to the inside of the jacket with pins. Tip: use a lot of needles so that the zipper is stable when it is sewn on. Sew the zipper in place by machine or by hand. Fasten threads.

If desired, rinse the work lightly in water and dry flat.
