INFO AND TIPS

My most important tip is: choose the right colours, which are the first six given in the material list (from yarn A to yarn F). You need to divide them into two groups: 3 colours (yarns A, C and E) for the first group, which will be shown properly on WS of the scarf and 3 colours (yarns B, D and F) for the second group, which, instead, will be shown properly on RS of the scarf!

Working in the back loops only and changing yarn colour every row allows you to create a double faced fabric, well noticeable after working the first eighteen rows of the pattern.

To alternate the RS with the WS of the scarf, I've decided to add two extra colours, which are yarns G (pink) and H (green). If you do not desire to alternate RS with WS and so you prefer to keep going as for the first eighteen rows simply work just two rows (and not three as in the given written pattern) of both pink and green. In this case, you will end your scarf with row 40 and not 42.

You can adapt the pattern to your own desire, working a foundation chain with less or more stitches than mine and crocheting more or less rows.

The fringes are created at the beginning and at the end of each row. No fringes are made while using yarns G and H, instead.

PATTERN

Using a 5mm hook and **yarn A**, work 341 chains [foundation chain].

I put stitch markers every 10/20 chains to keep track of the number of sts!

Row 1 (RS): insert hook in 2nd chain from hook where you work your first sl st, 19sl st, 1sc in next chain, 299sc, 20sl st, fasten off, turn. [300 sc, 40 sl st]

Row 2 (WS): join **yarn B** with a sl st on top of first sc, 21ch, insert hook in 2nd chain from hook and sl st, 19sl st, 1sc blo in the same first st of joining, 299sc blo, 21ch, insert hook in 2nd chain from hook and sl st, 19sl st, fasten off, turn. [300sc blo, 40 sl st]

Row 3 (RS): join **yarn C** and work as in Row 2.

Row 4 (WS): join **yarn D** and work as in Row 2.

Row 5 (RS): join **yarn E** and work as in Row 2.

Row 6 (WS): join **yarn F** and work as in Row 2.

Rows 7-18: as Rows 1-6, twice.

Row 19 (RS): join **yarn G** with a sl st on top of first sc and work 1sc blo in the same space, 299sc blo, turn. [300 sc blo]

Row 20 (WS): 1ch, sc blo to the end of the row, turn.

Row 21 (RS): as Row 20, fasten off, turn.

Rows 22-33: as Rows 1-6, twice

Rows 34-36: join **yarn H** and repeat Rows 19-21.

Rows 37 (RS)-42 (WS): repeat Rows 1-6, fasten off.

Weave in ends.

TASSELS [make 4]

You need yarns G and H and a book (or a planner) to wrap yarn around its short side to obtain four tassels, two pink and two green in my case.

- 1- Wrap yarn around the short side of the book 25 times, then cut the yarn.
- 2- Using the yarn needle, pass a length of yarn (same colour of tassel) under the top of the loops, make a knot and then slide the loops off the book.
- 3- Make one more knot on the top of the previous one.
- 4- Cut another length of the same yarn to wrap 2cm down the top knots and around the loops, so as to form the head of the tassel. Make a couple of knots to secure the bottom of the tassel head.
- 5- Cut the bottom of the loops and trim them to desired length.
- 6- Knot the tassel to one free end of the scarf.

Repeat 3 more times.

If needed, steam both scarf and fringes/tassels.

Enjoy!
