## PATTERN INFORMATION

Cable Babe is a fitted jumper with a little ease as it is knitted in twisted rib which allows it to expand. Worked bottom up, in the round and flat, on 12 mm needles entirely. Meant to be slightly cropped (but you can lengthen it as much as you heart desires). Finally the sleeves are worked with braid cable (don't worry, it's easy peasy) for an elegant but chunky look. Beware: Very snug and comfortable.

## INFO AND TIPS

Cable Babes is a very snug jumper so try and not cast on nor knit too tightly. Take your time to read the pattern entirely before beginning and don't be shy to ask questions if needed. Take it slow with the cables, they're fairly easy but mohair can be tricky. You could practise them on scrap yarn beforehand if it makes you feel more confident.

## BODY

Cast on 74 (82) 90 (98) sts (Be careful to not cast on too tight)

Join in the round, place a stitch marker.

Work in the round in twisted rib for 24 (24) 24 (24.5) cm / 9.4" (9.4") 9.4" (9.6") inches. I like my jumpers slightly cropped, but if you would like yours longer, add a couple of rounds **before** you move onto the next step.

## FRONT PIECE

Knit the next 37 (41) 45 (49) sts as they present, then with a scrap piece of yarn or stitch holder put the next 37 (41) 45 (49) sts on hold.

Now with the stitches remaining on the needle, work **FLAT** over the 37 (41) 45 (49) sts as the stitches are presented in twisted rib for another 20 (20.5) 21 (21) cm/ 7.8" (8") 8.2" (8.2") inches.

Put these 37 (41) 45 (49) sts on hold.

## BACK PIECE

Come back to the first 37 (41) 45 (49) sts that you put on hold.

Now work flat. Work sts as they present in twisted rib for 20 (20.5) 21 (21) cm/ 7.8" (8") 8.2" (8.2") inches.

## SHOULDERS & NECK

Now we are going to seam the back and front together to shape the shoulders.

Place the two sections together (any side facing you is ok as they are exactly the same.) Start at the top right.

Using the 3 needles bind off technique cast off 12 (13) 14 (16) (right shoulder). Leave 13 (15) 17 (17) sts on their respective stitch holders as they are (for the neck). Next, 3 needles bind off 12 (13) 14 (16) sts for the left shoulder.

## NECK

Put the remaining 26 (30) 34 (34) sts on hold back on your working needle.

With your chosen front piece towards you, start at the back right. Pick up 2 sts on the shoulder in between the front and back pieces, work the front 13 (15) 17 (17) sts already on needles as they present in twisted rib, pick up 2 stitches once again, knit other 13 (15) 17 (17) sts already on needle as they present in twisted rib.

Join in the round and work in twisted rib for about 7-8cm/ 2.7"-3.1" (Work new stitches in twisted purl or twisted knit to incorporate them in the stitch pattern correctly).  
Tubular cast off.
