Please make sure to include the pattern's name and number.

Happy Crafting!

Pattern

INFO AND TIPS

Regarding the stripe section:

You will only knit the garter stitch rows. The dashed lines will be embroidered afterwards, using the backstitch method. Place removable markers or small pieces of scrap yarn to indicate the position for the dashed line embroidery.

How to work the purl increases:

pRli = lift up the right leg of the stitch below and purl through the back loop

pLli = lift up the left leg of the stitch below and purl through the front loop

NECK

Co 58 (58) 58 (62) (62) sts using your 6.5 mm needles either with the twisted long tail CO method or your preferred method.

Join to knit in the round and place a BOR marker.

Work in 1x1 rib pattern (k1, p1) for 10 or 20 cm (unfolded / folded turtleneck)

RAGLAN

Switch to your 8 mm needles.

Knit one round while at the same time place the raglan markers as follows:

Size XS/S/M/: slip BORm, **k8**, place marker, **k21**, place marker, **k8**, place marker, **k21**

Size L/XL: slip BORm, **k8**, place marker, **k23**, place marker, **k8**, place marker, **k23**

(= BORm is placed between the right sleeve and back.)

Knit one more round. Slip the markers as you go.

Here is where your increases and your short row shaping starts (same for all sizes):

1. Start your RS-Row by working a Rli, then knit the sleeve sts along to the next marker and work a Lli BEFORE the marker. SM, Rli, k2.
Turn your work and make a DS.
2. Purl back to BOR WITHOUT increasing.
3. Now you are ready to purl to the left SR marker while making the increases.
Slip the BOR marker, pRli, p to the next marker, make pLli BEFORE slipping the marker. SM, pRli, purl over the sleeve sts to the next marker, pLli BEFORE slipping the marker, sm, pRli, p2. Turn your work and make a DS.
4. Knit back to BOR WITHOUT increasing.
5. Slip BORm, Rli, knit the sleeve sts, Lli, sm, Rli, knit to the DS (remember that you need to knit the DS as ONE stitch!). Continue by k3. Turn your work and make a DS.
6. Purl back to BOR without increasing.
7. Slip BORm, pRli, p to the next marker, pLli, sm, pRli, purl the sleeve sts, pLli, sm, pRli, purl to the DS (remember that you need to purl the DS as ONE stitch!). Continue by p3. Turn your work and make a DS.
8. Knit back to BOR without increasing

Continue knitting in the round. Work as follows:

Round 1: Slip BORm, Rli, sleeve, Lli, sm, Rli, front, Lli, sm, Rli, sleeve, Lli, sm, Rli, back, Lli.
(= BORm is placed between the Rli of the right sleeve and the Lli of the back.)

Round 2: knit all sts. Slip the markers as you go.

Repeat Round 1 + 2 until you have the following stitch count:

| | |
|-----------------|----------------|
| Size XS: | 28 / 41 |
| Size S: | 32 / 45 |
| Size M: | 34 / 47 |
| Size L: | 38 / 53 |
| Size XL: | 40 / 55 |

(Per sleeve / per front and back)

End with a Round 2!

Size XS only: Continue to repeat Round 1 + 2, BUT only work increases for the sleeves!

Size XS: 30 / 41

Size S only: Raglan is all done!

Size M + L + XL only: Continue to repeat Round 1 + 2, BUT only work increases for the body!

Size M: 33 / 49

Size L: 38 / 55

Size XL: 40 / 57

Separating body and sleeves

IMPORTANT: Try on your Sweater before going on with separating the body and sleeves! Raglan fits? Perfect! Raglan is a little too small? No worries! Work a few more rows WITHOUT increases!

You are now ready to separate body and sleeves. Work as follows:

Knit to the first marker, remove marker, put the sleeve sts on hold on scrap yarn or spare needle, remove marker, CO 4 (5) 5 (5) 6 sts, knit to the next marker, remove the marker, put the sleeve sts on hold, remove the marker, CO 4 (5) 5 (5) 6 sts, knit to BOR.

BODY

You should now have the following stitch count for the body: 90 (100) 108 (120) 126 sts

Knit 2 rounds, then start following the chart according to your size.

Repeat the chart twice (or to your desired length).

Then switch back to your 6.5 mm needle and work in 1x1 rib (k1, p1) for approx. 7 cm.

CHART

Chart Size XS, M, XL

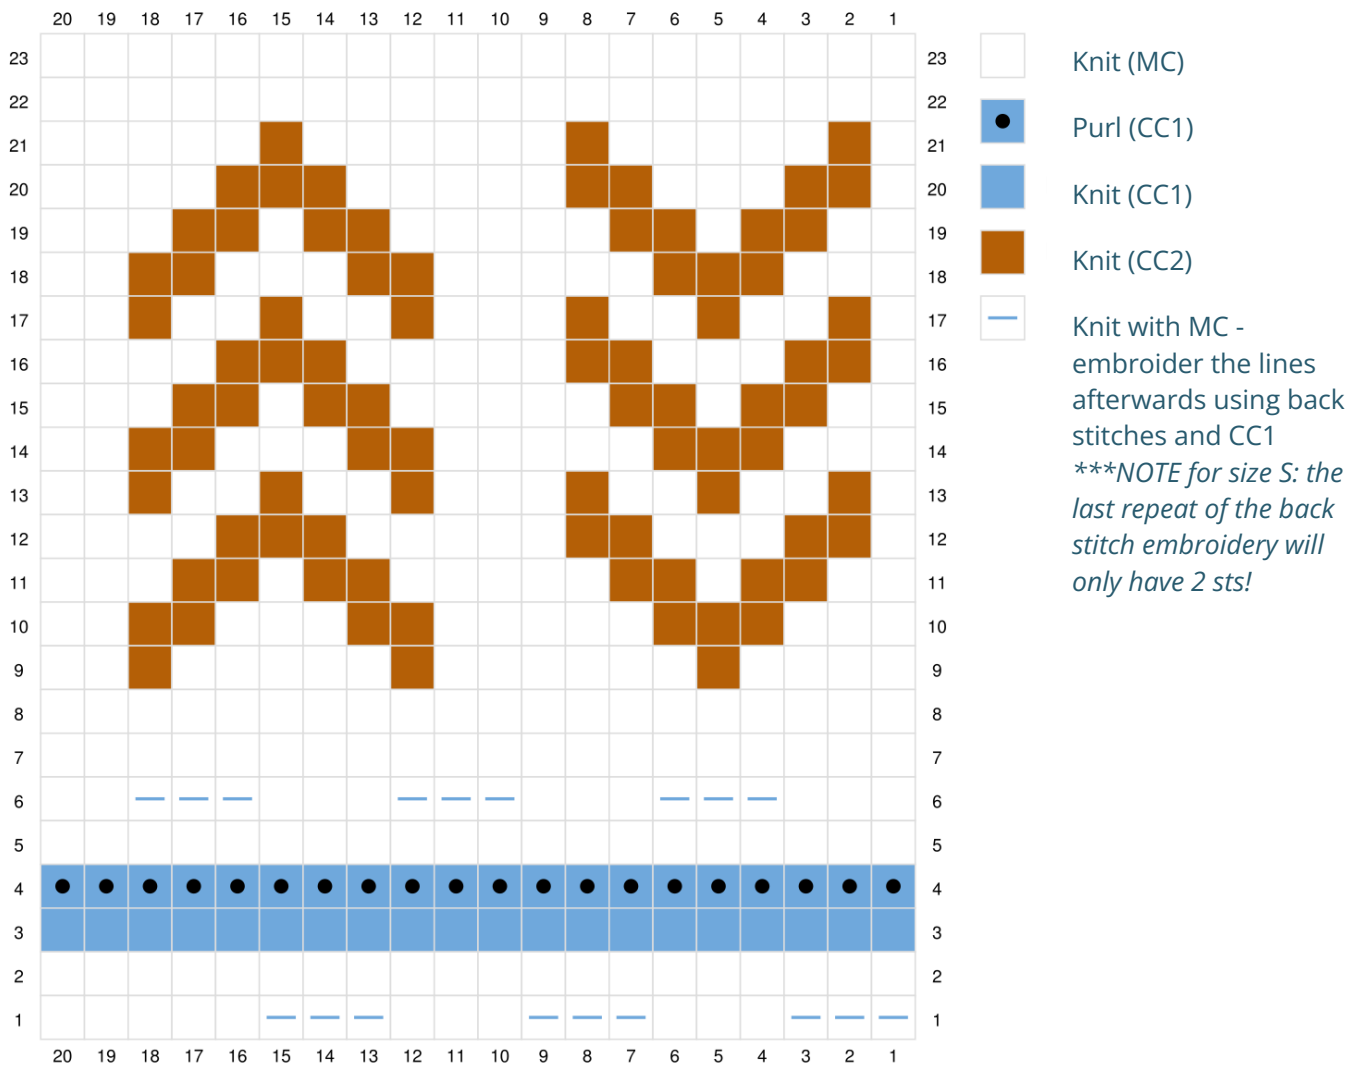

Chart Size S, L

-  Knit (MC)
-  Purl (CC1)
-  Knit (CC1)
-  Knit (CC2)
-  Knit with MC -
embroider the lines afterwards using back stitches and CC1
****NOTE for size S: the last repeat of the back stitch embroidery will only have 2 sts!*

SLEEVES

Pick up 4 (5) 5 (5) 6 sts from the bottom of the arm opening, using your 8 mm needles. You should now have 34 (37) 39 (43) 46 sts on your needles.

Size L + XL only: Knit one decrease round (see below). (= L 41 + XL 44 sts left on your needle)

All sizes: Work in stockinette stitch in rounds while working the decrease round below in every 11th (11th) 10th (10th) 8th round, for a total of 4 (4) 5 (5) 6 times.

You should end up with 26 (29) 29 (31) 32 sts.

Decrease Round: k1, k2tog, k to the last 3 sts, ssk, k1 (= 2 sts decreased)

Continue knitting in rounds until your sleeve measures 7 cm less than your preferred final length.

In your last round: Decrease 0 (1) 1 (1) 2 sts with k2tog.
You should have 26 (28) 28 (30) 30 sts on your needle.

Switch to your smaller needles and work in 1x1 rib (k1, p1) for approx. 7 cm.
BO all sts.

FINISHING

Wash and block your sweater.

Once it is all dry: Embroider the dashed lines using a tapestry needle and backstitch method.

TIP: The embroidery is always the same - 3 sts with back stitch, then skip 3 sts.

Weave in all ends and you're done! :)

Enjoy!

Sarah März - Glücksliesel
