INFO AND TIPS

With a 6mm hook, work up gauge as follows:

- Ch 24, ch 1 more and turn
- Sc in second ch from hook and sc in each ch till end of row (24 sc)
- Ch1 and turn, sc in every st till end of row (24sc)
- Repeat the previous row for another 20 rows and fasten off.
- Block gauge.
- Check measurements in the center of gauge: you should get 12 sts x 12 rows for a 10cm x 10cm square

If you don't match gauge, change your hook size to the one that enables you to correctly meet gauge.

NECK

N2   Ch1 and turn, slst blo in the second ch from hook and in every ch from previous row (12 sts)

Join the last row to the 1st row N1 by slsts.
Ch1, sc in the side of each row, slst to first sc. 72 (84, 98, 108).
Fasten off.

Check point: you should have the same amount of sc as your neck ribbing rows.

SKIRT SPLIT

Lay your dress flat and identify where you want your split to start.
Recommended: from where you fasten off, count 13 (14, 16, 17) sts on your front side and place
        a stitch marker SM4. Attach yarn on SM4.

SS 1   Making sure you're working on the opposite direction compared to your last row, Ch1
        and sc in every st of the row. Do not slst to first sc: this will create the start of your split.
        108 (116, 133, 144).

SS2   Ch1 and turn, sc in every st of the row.

Repeat SS2 until you're happy with the length of your dress. Then add the finishing:

Ch1 and sc in the same last st, rotate your work to place sc in the sides of every row of your split
        (you will be working inside the split). Continue on the other side of the split.

Ch1andturn, slst blo all across the two split sides, ch1, slst in the same last st, rotate your work
        and place slst blo all across the skirt edge. Slst to first slst.

Ch1andturn, slst blo in every st along the edge of the skirt and along the two split sides.
Continue until the dress measures 105 cm / 41.3" or desired length.

Fasten off.

FINISHING ARMHOLE

Attach yarn on the lowest point of your armhole section.

F1   Sc in the sides of every row, continue sc in every st along the neck ribbing, then
        again place sc on the sides of every row. Slst to first sc.

F2   Ch1 and turn, sk first st, slst blo in every st until the one before the last.

F3   Repeat F2. Fasten off.

Repeat for the other armhole.

Now block your dress and enjoy your night out!
