## TIPS AND INFO

Start by working sc into the holes of the wooden bottom. See instructions for the required number of stitches for each basket.

Then continue in pattern, joining each round with a sl st.

Finish each basket with one round of crab stitch.

Weave in yarn tail from cast-on before the basket becomes too high. Secure with a knot to keep from unravelling.

## BASKET

With yarn behind the wooden bottom, pick up yarn in one hole and pull through = 1<sup>st</sup> stitch. Work into the holes of the bottom like this (remembering that the 1<sup>st</sup> st has already been worked):

**Size S:** (1 sc, 2 sc in next st, 2 sc in next st) 8 times = 40 sts.

**Size M:** (1 sc, 2 sc in next st) 16 times = 48 sts.

**Size L:** [(1 sc, 2 sc in next st) 2 times, 2 sc, 2 sc in next st] 5 times, (1 sc, 2 sc in next st) 2 times, (2 sc in next st) 2 times = 60 sts.

**Size XL:** [(1 sc, 2 sc in next st) 2 times, 1 sc] 9 times = 63 m, (2 sc in next st) 2 times, 1 sc, 2 sc in next st = 70 sts.

**Continue in pattern** – see explanation with pictures on page 4-5

\*Join with a sl st and ch 1.

(Work 1 sc, pull up a loop in the same st = 2 loops on hook, pull up a loop in the next st = 3 loops on hook, yarn over and pull through = 1 loop on hook) until end of round\*  
repeat from \* - \*.

Continue in pattern until the basket is approx. 9 (13) 13 (16) cm tall. Finish with a sl st and ch 1.

## EDGING

Work one round of crab stitch. A crab stitch is worked the same way as a single crochet but from left to right.

Weave in the end making it look like a crochet stitch.

**Enjoy!**
