INFO AND TIPS

The sleeve is made of two parts sewn together at the end.

There is one size given in the description, but you can easily adjust it to another size, just de- or increase the number of stitches according to the gauge. The number of stitches must be odd.

Stitches used in the pattern:
Stockinette stitch: purl on the wrong side, knit on the right side
Garter stitch: k in every row

FRONT

CO 89 sts. Work 8 rows in garter stitch. Then, 14 rows in stockinette stitch. In the 15th row start work the heart motif in garter stitch as follows:
Work 44 sts in stockinette stitch, then 1 st in garter stitch and 44 sts in stockinette stitch. Continue working the heart according to the chart.

When the heart motif is done, work 15 rows in stockinette stitch and then 8 rows in garter stitch. Fasten off.
BACK

Work like the front but without the heart motif.

Finishing

Sew the sleeve on the wrong side using an invisible needle stitch, or using a crochet hook with a slip stitch. Cut off the ends.
