## INFO AND TIPS

Your turning ch does not count as a st throughout.

The body of your bag is worked in joined rounds but not turned.

When changing colour remember to do so during the final yarn over of the stitch **before** the colour change.

## BODY

### Make Two

**Round 1:** With A, ch3, 12 dc in third ch from hook, ss to join. 12 sts.

**Round 2:** ch1, 2 dc in each st from the previous round, ss to join. 24 sts.

**Round 3:** ch1, \*1 dc, 2 dc in the next st\* around, ss to join. 36 sts.

**Round 4:** ch1, \*2 dc, 2 dc in the next st\* around, ss to join. 48 sts.

**Round 5:** ch1, \*3 dc, 2 dc in the next st\* around, ss to join. 60 sts.

**Round 6:** ch1, 2 dc, \*2 dc in the next st, 4 dc\* until 3 sts remain, 2 dc in the next st, 2 dc, ss to join. 72 sts.

**Round 7 (RS):** ch1, BLO dc in each st from the previous round. FO here for your first panel but continue to Round 8 for your second.

**Round 8:** ch1, with WS of both pieces together, ss through the next 60 sts on both pieces to join, leaving 12 sts open at the top for your bag opening. You can join more or fewer sts here to alter the width of your opening. When joined, ch1 and sc in each st around the opening, ss to join and FO. Weave in your ends.

## FRONT EYES

### Make Two

**Round 1:** With C, ch3, 5 dc in third ch from hook, change to B, 1 dc in the same space, ss to join. 6 sts.

**Round 2:** ch1, 2 BLO dc in each st from the previous round, ss to join, FO. 12 sts.

**Round 3:** Join A in any st around and ch1, \*1 dc, 2 dc in the next st\* around, ss to join. FO leaving a long tail for sewing. 18 sts.

## BACK EYES

### Make Two

**Round 1:** With A, ch3, 6 dc in third ch from hook, ss to join. 6 sts.

**Round 2:** ch1, 2 dc in each st from the previous round, ss to join. 12 sts.

**Round 3:** ch1, \*1 dc, 2 dc in the next st\* around, ss to join. FO leaving a long tail for sewing. 18 sts.

Sew your Front Eyes to the front of your bag joining 6 eye sts with 6 sts from Round 7 of the body, then leave the rest unjoined. Sew your Back Eyes to the back of the bag joining 6 sts with Round 7 of the back body as before, then sew the Front and Back eye edges together. Use your yarn tails and a little toy stuffing to pad the eyes.

## MOUTH

I made my mouth using surface slip stitch, but you could work a chain and sew it onto the front of your bag if you prefer, or embroidery. Use the photo as a guide, but remember that all frogs are different, and that their smiles are all beautiful in their own way! Make yours completely unique to show off their personality.

## CHEEKS

### Make two

**Round 1:** With D, ch3, 6 dc in third ch from hook, ss to join, FO leaving a long tail for sewing. 6 sts.

Sew your cheeks to your bag at either end of your smile.

## STRAP

**Either** use foundation dc to work a strap as long as you would like, then sew each end to your bag either side of your opening, **OR** work a ch the length you would like, dc in the third ch from the hook and each ch along, then sew each end to your bag either side of your opening. Weave in your ends.

Enjoy!

Lauren 😊
