INFO AND TIPS

Ch1 doesn't count as 1 st.

Ch2 or ch3 at the beginning of the round counts as 1 st.

Each piece is finished with an invisible join, some pictures and explanations are available to show you how to do it.

If you planned to sew your appliques on a crocheted or knitted support don't forget to leave a long tail to sew them on your project. If you planned to sew them on another support weave in ends and use sewing thread in the same color as the applique.

HOW TO MAKE AN INVISIBLE JOIN

Cut the yarn and pull the yarn through the last st. Insert your crochet in the first st, from back to front (Image 1) and pull the yarn through. Then insert the crochet into the last st from back to front BUT in the back loop only (Image 2) and pull through the yarn. Your join will be invisible and you will have a neat finish and weave in ends. (Image 3)
