## ABBREVIATIONS

st = stitch  
ch = chain  
sl st = slip stitch  
sc = single crochet  
hdc = half double crochet  
dc = double crochet  
inc = crochet 2 st in the same st  
mr = magic ring  
beg = beginning

## INFO AND TIPS

The first part of the hat is worked in rounds, then we will add the earflaps in rows with some decreases and finish with a round of sc to have a neat border.

Then the mouth and teeth are worked in front of the hat. The mouth is worked in front loops only and the teeth on the back loops.

Finally, all the details are crochet and sewn on the hat.

Some pictures are available to show you some steps and how to make an invisible join.

Ch3 and ch2 at the beginning of the row count as 1 st.

Ch1 does not count as a st.

## EARFLAPS

**First earflap:**

From the end of the round, count 22 (24) 26 sts to the right. The first st counted is the st at the right of the ch3. And join Friends Wool yarn on the 22th (24th) 26th st.

**Tip:** Work over the yarn ends, here and at the end of the hat to avoid weaving ends.

From here you'll work back and forth in rows and ch2 instead of 3 to have a neat edge.

### **Second earflap:**

Go to the start of Row 2, count 12 to the right and insert crochet in the 12th st.

Repeat Rows 3 to 6. But DO NOT fasten off at the end of Row 6.

To have a neat edge you'll work a border as follow.

Work all in front loops only: Ch2, count as 1 st here. \*Work 1 hdc in each st until there is 1 st left before the next marker. Crochet 2 hdc together in this st and the marked st.\* Repeat from \* to \* one last time. Work 1 hdc in each st until 1 st left before the first ear flap corner. Ch2, sl st in the corner. Fasten off and weave in ends.

## HORNS (make 6)

With Friends cotton yarn, color Orange and Tomato and hook 2.5 mm (US C/2).

Cut 15 strands approx. 5 cm (2") of yarn color Tomato and leave them on hold.

With Orange yarn, make a mr,

**Round 1:** Ch3 (count as 1dc), crochet 2 dc, \*take a strand color Tomato and fold it in half. Insert the loop under the mr (image 1), and pull both the ends through the loop you just created (image 2) but not too much, it must slip on the mr. The strands must stay at the front of the work (image 3). Crochet 3 dc into the mr (image 4).\*. Repeat from \* to \* once. Insert one last strand like you did before. Be aware to keep the strands on the front of the work before pulling to close the mr. Join with sl st to top of beg ch3. Pull to close the ring and secure it. (image 5) (9 dc, 6 strands)

**Rounds 2 and 3:** Ch3, work dc in each st. Join with sl st to top of beg ch3 (9 dc). Fasten off and cut the yarn leaving a long tail to sew.

**Optional:** insert your yarn needle in the strands to unravel them and make them fuzzy (images 7 & 8)

Instead of working the last sl st, cut the yarn leaving a long tail to sew and work an invisible join (see below for a step by step) (30 sts)

**How to work an invisible join:**

After the last st, cut the yarn leaving a long tail to sew. And pull the yarn through the last st to just have your tail (images 1 and 2). Insert your crochet in the first st, from back to front (image 3) and pull the yarn through (image 4). ## ASSEMBLY

With the right side facing you. Fold the right ear flap in two. It will create a line from the earflap bottom to the magic ring (image 1). We will sew the three horns in this line (image 2). Place the first horn on top of Round 2. Place the third horn on top of Round 7. And the second horn in the middle. Pin them to keep them in place and sew them with their yarn tails. Or place them where you want, let your imagination speak!

Pin the eyes where you want to place them. I recommend to stay under round 7, and stay above the 25 stitches of the teeth, do not go further on the sides. Sew them with their yarn tails.
