## PATTERN INFORMATION

The Aínsa bandana is a delicate accessory to wear around your neck or on your head and add some personality to your look. The bandana is made by crocheting one triangle piece and adding the ribbing. The design is inspired by medieval buildings in Aínsa, a town in the Pyrenees.

## INFO AND TIPS

The Aínsa bandana consists of a main panel with a triangle shape. It is crocheted from the bottom centre and outwards to the vertices. Once the triangle is done, a ribbing is added along two sides, creating the wavy border. The triangle piece is worked with one strand of Friends Extra Fine Merino and the ribbing is worked with one strand of Friends Wheel.

The triangle panel is mostly crocheted with double crochet stitches. However, some rows include lace and texture. The lace is achieved with a combination of double crochet, chains and double crochet 2 together skipping 3 stitches between the double crochet stitches. Some texture is added with double crochet 4 together.

How to double crochet 2 together skipping 3 stitches between the double crochet stitches:
Yarn over, insert the hook into the stitch, yarn over and pull up a loop, yarn over and pull through two loops on the hook. Skip 3 stitches. Yarn over and insert the hook in the next stitch, yarn over and pull up a loop, yarn over and pull through three loops on the hook.

## How to double crochet 4 together:

All is made in the same st:
[Yarn over, insert the hook into the stitch, yarn over and pull up a loop, yarn over and pull through two loops on the hook] $\times 4$ times. Yarn over and pull through the five loops on the hook.

The ribbing includes a combination of single crochet rows, a lace row achieved with crossed double crochet stitches and a final wavy row, which is made with double crochet and single crochet stitches.

## Ribbing

Work with one strand of Friends Wheel. Join the yarn on the bottom right corner of the triangle (C). Crochet back and forth: uneven rows are worked from $\mathbf{C}$ to $\mathbf{B}$ to $\mathbf{A}$; and even rows are worked from $\mathbf{A}$ to $\mathbf{B}$ to $\mathbf{C}$.

Row 5: 1 sc in the first st. [Skip 2 sts. 6 dc in next st. Skip 2 sts. 1 sc] 33 times. 1 sc in last st. Do not fasten off.

Ch 1 and sc evenly from $\mathbf{A}$ to $\mathbf{C}$. Try to do 3 sc in each dc and 1 sc per ch and sc in the border; which would be around 140 sc. Fasten off.

## BLOCKING

To ensure a more defined shape of the triangle, the bandana can be blocked once it is crocheted. Once the bandana is set to the desired shape, spray it with water until it is wet. Let it dry.
