INFO AND TIPS

The size can easily be adjusted by adding or subtracting rounds of the squares. If you would like to do a longer or shorter version you can also add or subtract a row of squares in the bottom. The sweater also looks super cute with rolled up sleeves,but if you are not a fan of long sleeves you can also leave out the two squares at the wrist. If you do so, remember to also leave out the 4 rows of sc in the section: "SLEEVES (Underarm)"

The model in the photos is 178 cm and wears a size M/L.

Before starting the pattern make one square to test your gauge. Adjust hook size if necessary.

Squares

Make 52 squares in total - 16 per front and back, 8 per sleeve, 4 for the turtleneck.

Crochet rounds according to your size:

XS/S: Crochet 5 rounds per square = 12x12 cm / 4.8" x 4.8"
M/L: Crochet 6 rounds per square = 13x13 cm / 5.1" x 4.1"
XL/2XL: Crochet 7 rounds per square = 14x14 cm / 5.5" x 5.5"

JOINING

Lay out your squares, according to the illustration below, in your preferred color order and start joining the body and the sleeves separately. Be careful not to close up the neck-opening (green line in illustration). Set 4 squares a side for the turtleneck.

Start with the vertical lines this way:

Lay 2 squares together with the right sides facing each other. Join 2 corners with sl st, then sl st through the outside loops only in each stitch (or through the back loops only), sl st through 2 corners, ch-1, sl st through the next 2 squares corners and keep connecting the squares through the back loops only. When you finish with "vertical lines" start joining "horizontal lines".

Seaming of sides and sleeves will be done after the next step.

SLEEVES (Underarm)
Row 1: connect the yarn to the 1st corner of the sleeve square (count from the armhole), ch-3, dc in each dc to the next corner, dc in next corner, hdc in next corner of the 2nd square, hdc in each dc to the next corner, hdc in the next corner, sc in next corner of the 3rd square, sc in each dc to the next corner, sc in the next corner

Row 2: ch-1, turn, sc in each sc, hdc in each hdc, dc in each dc
Row 3: ch-3, turn, dc in each dc, hdc in each hdc, sc in each sc, sc across the 4th square
Row 4: ch-1, turn, sc in each sc, hdc in each hdc, dc in each dc
Row 5: ch-3, turn, dc in each dc, hdc in each hdc, sc in each sc only across the 3rd square
Row 6: ch-1, turn, sc in each sc, hdc in each hdc, dc in each dc
Row 7: ch-3, turn, dc in each dc, hdc in each hdc, sc in each sc, sc across the 4th square,
Row 8: ch-1, turn, sc in each sc, hdc in each hdc, dc in each dc, cut the yarn

You get 8 rows of stitches across the first 3 squares and 4 rows of sc across the 4th square (wrist square).

Repeat these steps for the opposite side of the sleeve and the 2nd sleeve.

Join the sleeves to the body with sl sts, and after that make side seams and sleeve seams (join through the back loop only).

TURTLENECK
Connect 2 squares to the front and the back part of the neckline (total 4 squares).

Finishing Touches
Make a row of sc and crab stitches around the neck, bottom and sleeves.

Enjoy!
