INFO AND TIPS

The shorts are made from top to bottom in a round, but joining the rows.
Ch 2 always counts as 1 hdc, including when you increase.

SHORTS

Ch 154 (164) 174.

Row 1: 1 hdc in 4th ch from the hook, hdc to the end of the row, ch 2 (counts as the first hdc), turn = 152 (162) 172 sts.

Round 1: hdc to the end of the round, join the round with a sl st to the 1st hdc.

Rounds 2-4: ch 2, hdc to the end of the round, join the round with a sl st to the 1st hdc.

Now you will start to increase.

Row 5: make a sl st in a very first spot between sts, [ch 2, 1 hdc in the same spot] = inc, 1 hdc in the next 75 (80) 85 sts, inc, 1 hdc in the next 75 (80) 85 sts, join with a sl st to the top of the ch 2.

Rows 6- 32: repeat row 5, working respectively 1 st more on each side in each round.

Now, to connect the legs, make a sl st in a very first spot between sts to get between 2 sts made into the same st. Ch 10 and connect them with the st where you increased on the other side.

Ch 2, (on the right side of the piece) work 1 hdc in every st of the leg, make 4 rounds in total (or desired length). Repeat on the other leg.

FINISHING

To make a waist tie, make approx. 175 cm (or the desired length) of chain sts.

Weave it between the stitches in the second waist row, make two tassels and attach them at the ends of the chain.

Enjoy!
