ASSEMBLY

Place the eyes:

1st eye: With the forehead part front of you, from the start of the right earflap, count 9 sts to the left. Go up counting 7 rows including the border. Place the top of the small eye here and pin it.

2nd eye: With the forehead part front of you, from the start of the left earflap, count 9 sts to the right. Go up counting 8 rows including the border. Place the top of the big eye here and pin it. If you are happy with the placement, sew them in place.

Place the mouth:

With the forehead part front of you, from the start of the right earflap, count 6 sts to the left. Pin the first end of the mouth here. From the start of the left earflap, count 6 sts to the right and pin the second end of the mouth here. Form waves with the mouth, pin to hold the mouth in place and sew it when you are happy with its shape.

Scars:

With 2 strands of Friends cotton yarn color Black and your yarn needle. Sew two scars on the face where you want. I sew a slanted line and then sew 2 or 3 perpendicular lines to the first one.

Of course you are totally free, don't hesitate to place all of this where you want, to create your own funny monster.
