INFO AND TIPS

Colour distribution

Before starting it is important to select the colours you will be using for this project. Please find below the description of each colour use:

colour A is used for the neck, the edge of the body part, the edge of the sleeves and the stripes on the sleeves.

colour B is used for the body part and the sleeves.

colour C is used for the pompoms.

Decreases (for the sleeves)

3 stitches before the stitch marker of the beginning of the round, knit 2 together, knit 1, slip stitch marker, knit 1, slip 1 knitwise, knit 1, pass slipped stitch over.

1x1 Half-twisted rib stitch (in the round)

Knit 1 through the back loop, purl 1 and repeat from * to * through the round.

Knit 2 together or K2tog

Instead of knitting a single stitch, knit 2 stitches together.

SKP

Slip 1 knitwise, knit 1, pass slipped stitch over.

Slip Stitch

Insert the crochet hook into the stitch, then yarn over and pull back through the stitch and through the loop on the crochet hook.

Stockinette stitch (in the round)

Knit across.

Raglan

The raglan line will be formed thanks to increases before and after the stitch markers (except the stitch marker of the beginning of the round).

Before stitch marker (M1R) : Insert the tip of your left hand needle from back to front under the strand between the last stitch worked and the next stitch. Knit into the front loop.

After stitch marker (M1L) : Insert the tip of your left hand needle from front to back under the strand between the last stitch worked and the next stitch. Knit into the back loop.

Colour change

For the double neck, the edge of the body part and the edge of the sleeves, the colour change is done one stitch prior to the stitch marker indicating the start of the round. This way, the colour change becomes invisible.

Knitting up (avoiding holes for the armpit part)

Knit up the double of stitches indicated in the pattern and K2tog those stitches. E.g.: if the pattern says to knit up 5 sts, knit up 10 sts instead, and knit 2 sts together over those 10 sts. After knitting 2 together, you get only 5 sts remaining.

Pompom

To place and remove the pompom easily, sew a cross stitch with a yarn needle and tie the pompom with a simple knot.

NECK (WORKED TOP-DOWN)

Start by using *colour A*. Cast on 78 (80) 84 (86) 90 (94) stitches using the German twist Cast On with your 4mm needles. Then, place a stitch marker to identify the beginning of the round. Knit 1 round. Work 1x1 half-twisted rib stitch in the round for 3 cm.

Then, change to *colour B* and increase 16 stitches evenly spaced through the round for all sizes [Total = 94 (96) 100 (102) 106 (110)] using 4,5mm needles.

Raglan

On the next round, insert 8 stitch markers as follows: from the stitch marker of the beginning of the round count 14 (14) 15 (16) 17 (18) sts, place a SM, count 2 sts, place a SM, count 16 sts, place a SM, count 2 sts, place a SM, count 27 (28) 30 (31) 33 (35) sts, place a SM, count 2 sts, place a SM, count 16 sts, place a SM, count 2 sts, place a SM.

Starting from the SM of the beginning of the round (half back piece), work stockinette stitch and increase for the raglan lines every 2nd round. In other words, repeat these 2 following rounds 18 (19) 20 (21) 22 (23) times [Total = 238 (248) 260 (270) 282 (294) sts].

Round 1 : knit to SM, *M1R, slip SM, knit 2, slip SM, M1L, knit to the next SM, M1R, slip SM, knit 2, slip SM, M1L, knit to the next SM*. Repeat from * to * until the end of the round.

Round 2 : knit across.

Then, continue working without further increases until the yoke measures 17 (18) 19 (20) 21 (22) cm.

BODY

The body and the sleeves are worked separately, so divide the body and the sleeves as follows: knit 33 (34) 36 (38) 40 (42) sts (half back piece), place the next 54 (56) 58 (60) 62 (64) sts on a cable for the sleeve, cast on 6 sts, knit 65 (68) 72 (75) 79 (83) sts (front piece), place 54 (56) 58 (60) 62 (64) sts on a cable for the other sleeve, cast on 6 sts, knit 32 (34) 36 (37) 39 (41) sts. This is the new beginning of the round, place your SM.

Knit the 142 (148) 156 (162) 170 (178) sts the round until the body piece measures 16 (19) 22 (24) 27 (30) cm long.

Edge of body

Change to *colour A* and work 1x1 half-twisted rib stitch in the round for 3 cm using 4mm circular needles. Cast off the remaining stitches using tubular bind off.

Pompom

Using either size 6 cm / 2.36" or 3cm / 1.18" Pompom maker create 3 (or as many as you want) pompoms and place them evenly spaced on the front part of the sweater. Use mainly *colour C* and add a little of *colour A*.

SLEEVES (WORKED TOP-DOWN)

Using *colour B* and 4,5 mm short circular needles, take back the 54 (56) 58 (60) 62 (64) sts from the cable. Knit up 6 sts from under the sleeve [Total = 60 (62) 64 (66) 68 (70)]. Insert the SM in the middle of these new stitches to identify the beginning of the round.

AT THE SAME TIME decrease as per DECREASES TIP every 1,5 (2) 2,5 (2) 2 (2) cm a total of 10 (11) 10 (9) 8 (9) times [Total = 40 (40) 44 (48) 52 (52)].

Once the sleeve is 20 (24) 27 (31) 34 (38) cm long, * k2, k2tog* across [Total = 30 (30) 33 (36) 39 (39)].

Edge of sleeve

Change to *colour A* and work 1x1 half-twisted rib stitch in the round for 3 cm using 4mm circular needles. Cast off the remaining stitches using tubular bind off. Proceed the same way for the second sleeve.

Stripes on sleeves

Use a 3.5mm crochet hook, starting from the beginning of the half-twisted rib, work slip stitch horizontally along the entire length of the sleeve in colour A. Repeat the same every 2 half-twisted ribs.

Enjoy!
