PATTERN INFORMATION

Picasso is a fun and colorful scarf for children. There is plenty of opportunity to play with the color combinations and patterns, and make a completely unique scarf. The scarf consists of 8 granny squares with 5 rounds each, which are then crocheted together. You can crochet as many squares and rounds as you want, and so change the width and length. The pattern is beginner-friendly.

SQUARE

Make 8 squares in the color combinations you want. You can find inspiration under "Color suggestions" at the end of the pattern.

Start with a magic ring

Round 1: ch 3, 2 dc in the ring, ch 2, *3 dc in the ring, ch 2*, repeat *-* a total of 3 times (= 4 groups of 3 dc), ch 1, join with a sl st in the top of the ch 3, pull the thread to close the ring.

Round 2: ch 3, 2 dc, ch 2, 3 dc in the same ch-space (= corner space), *(3 dc, ch 2, 3 dc) in the next ch-space*, repeat *-* a total of 3 times (= 3 corners), join with a sl st in the top of the ch 3 (= 4 corners)

Round 3: ch 3, (3 dc, ch 2, 3 dc) in the next ch-space (= corner space), *3 dc in the next ch-space, (3 dc, ch 2, 3 dc) in the corner space*, repeat *-* a total of 3 times, 2 dc in the next ch-space, join with a sl st in the top of the ch 3

Round 4: like round 3 (1 dc group is added between each corner for each round)

Round 5: like round 3 (1 dc group is added between each corner for each round)

The square measures 10 x 10 cm / 4 x 4 inches

Weave in the ends.

ASSEMBLY

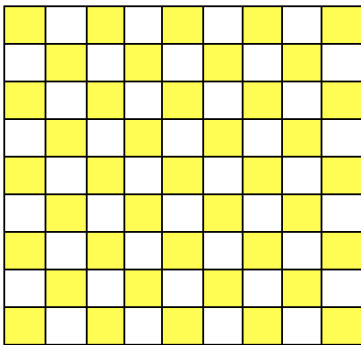

Place the squares in the desired order. Choose which color you want to use for assembling the scarf. Start with the first two squares. Place them on top of each other with the wrong sides facing out.

Now insert the hook through the corners of both layers. Pull the yarn through and tie a knot. Insert the hook and make a stitch.

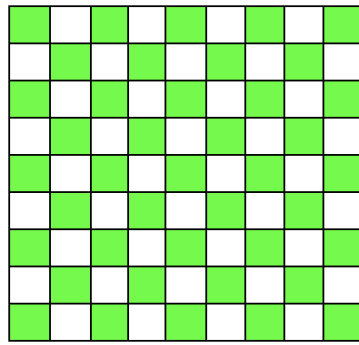

Now work single crochets in the inner (front) loops along the edges through both layers. Finish in the corner. Weave in the end.

Continue working the rest of the squares together in the same way until you have joined all the squares.
