the perfect fit and reduce the bulk you

The beanie is designed to have a folded
brim to give extra warmth for your
ears.

Finish off the beanie with a
multicoloured pompom to make it
extra festive.

SEAMING THE BEANIE

CLOSING THE CROWN
Working on the RS - using white, attach yarn at the crown close to the seam,

Round 1: ch 1, evenly place 18(20, 22, 24, 26) sc around the crown, slst to join,
Round 2: ch 1, dec around, slst to join. Fasten off and use the tail end to weave in and out the sts to cinch the hole closed.

POMPOM
Using a pompom maker and using all three colours held together, make the pompom. Once made, trim the pompom to shape to make it perfectly round and attach to the crown of the beanie using the tails from securing the pompom.

Enjoy!
