

# SERENE STRIPES - BEANIE

Three-color striped beanie with textured brim

Designed for all seasons and skill levels, the Serene Stripes Beanie will soon become your go-to hat pattern. Worked flat in Tunisian crochet, this hat helps you learn the basics while creating an irresistible texture and fabric. The brim is worked in Tunisian reverse stitch, which mimics Tunisian purl stitch but is infinitely easier to do. Then relax into striped Tunisian simple stitch for the body of the hat, finishing with basic decreases for a shaped crown. Seam your hat and start plotting colors for your next one!

The Serene Stripes Beanie is part of the Happy Place pattern collection, designed to complement Happy Place Yarn. Find even more patterns and get the yarn needed for this project from Hobbii's website.
