## PATTERN INFORMATION

Decorating a Christmas tree is a nice and joyful moment. But it will be even more if the crocheter hangs his art, right?

Elf Sock will decorate your tree wonderfully. You can also make several socks in different colorways without the hanging loop and simply place them on your table to create pretty decorations, or crochet other patterns ornaments from Hobbii to create the prettiest garland.

## INFO AND TIPS

Ch1 doesn't count as a st.

The sock is worked in one piece. You'll work in rounds from toe to heel, then in rows for the heel. Finally the leg is worked in rounds again and a chain is worked to create the hanging loop. To finish you sew to close the heel.

**How to change color:** change to the next color when crocheting the last st of the row. Insert hook in the last st, yarn over with the current color, pass through the st, yarn over with the new color, pass through the 2 loops on the hook.
