BLOCKING

Mix 1 oz (30 g) of hot water with 0.5 oz (15 gr) of sugar. Dip the snowflakes in the mixture, if you are making ornaments don't put the hanging loop.

On a blocking mat or a towel, pin your snowflakes stretching them in shape. Let them dry flat.

Ornaments will always be flexible, but they will stay in place more easily. If you want them more solid, increase the sugar in the mixture.

Dare and unleash your stitches!
