PATTERN INFORMATION

This cardigan is knitted in panels. The back and two front panels are worked from the bottom up, and joined together at the shoulders with the three-needle bind off method.

The sleeve stitches are picked up along the armholes and once they're finished, the sides are sewn together to form the body.

Lastly, for the neckband, stitches have to be picked along the neckline and worked in 1x1 twisted rib stitch.

Throughout the whole pattern, two strands of mohair of the same color have to be held together. The color changing technique used is intarsia, and for reference, there are charts for each panel and size.

The technique used to change colours is intarsia.

FRONT

Left front

With 4 mm (US 6) needles, and two strands of C3 held together, cast on 44 (50) 55 (59) sts with the long tail cast on method, or your preferred method. For size L and XL begin and end the row with k3/p3 to make the number of stitches fit the double rib pattern.

Row 143 (143) 157 (172): P all.

You should end up with 22 (24) 28 (32) sts.

You can leave them on hold to do this later, or, with the RS facing, and the three-needle bind off method, join to the left shoulder of the back now.

Right front

With 4 mm (US 6) needles, and two strands of C3 held together, cast on 44 (50) 55 (59) sts with the long tail cast on method, or your preferred method. For size L and XL begin and end the row with k3/p3 to make the number of stitches fit the double rib pattern.

Row 132 (142) 156 (170): K all.

Row 133 (143) 157 (171): P all.

You should end up with 22 (24) 28 (32) sts.

Place the back and front with the RS facing each other, and with the three-needle bind off method, join the corresponding shoulders together.

SLEEVES

Repeat instructions for both sleeves.

With the RS of the body open and facing you, start at the right edge of the armhole (for the right sleeve, it'll be at the back, and for the left sleeve, at the front panel), and with 4.5 mm (US 7) needles, pick up 90 (99) 114 (120) sts in a 3:1 ratio, respecting the colour chart.

Rows 1 to 5: Work in stockinette stitch.

Row 6: K2, ssk, k all until you 4 sts remain on your left-hand needle, k2tog, k2.

While following the chart, work the decrease row every 6th row until Row 96 (96) 102 (102).

Work in stockinette stitch for 3 more rows, ending on a RS row, do as follows:

Row 100 (100) 106 (106): *k1, k2tog*. Rep from * to * until end of row.

Change to 4mm (US 6) needles and attach C3 yarn to work the cuff in this manner:

Row 1: *k2, p2* in twisted rib stitch. Rep * to * until end of row.

Rep Row 1 14 more times.

Row 16: Cast off loosely.

Leave a tail long enough to sew the sides of the sleeve and the sides of back and front together.

Do it with the vertical invisible seam.

NECKBAND

With 4 mm (US 6) and C3 held double, start at the bottom of the left front panel, and pick up 250, (268), 290, (310) in a 3:1 ratio.

Row 1: *k1, p1* in twisted rib stitch. Rep from * to * until end of row.

Rows 2 to 7: Repeat Row 1, working the sts as they're presented (knit all knit sts, purl all purl sts).

Row 8: Cast off loosely.

I know you don't want to hear this but I'd suggest you hide in all the ends! I know there are A LOT, but it'll be worth it once you're finished ☺
You should also block it, as that'll even out all the stitches and fit you better!

Aaand...it's finished!!!
