PATTERN INFORMATION

This is an intermediate level pattern. The sweater is made bottom-up in the round, until the armholes, where the body is divided and front and back are worked back and forth. Once the shoulders are seamed together, stitches are picked up for the sleeves, and worked in the round with decreases.

Before casting off the sleeves, the ruffles are worked as cuffs. These are also added to the lower hem and around the collar.

The ruffles have lace details, which are worked with yarn overs.

After the whole sweater is finished, there's the option to add little hearts with the duplicate stitch technique.

ABBREVIATIONS

K = knit

P = Purl

SM = Stitch marker

BOR = Beginning of round

K2tog = Knit 2 together

Ssk = Slip, slip, knit

St st = Stockinette stitch

Yo = yarn over

WS = Wrong side

RS = Right side

INFO AND TIPS

The chart for the ruffles is worked over 4 sts, so make sure you have a number of sts that's a multiple of 4 for the cuffs, neckband and cast on edge of body. If you have more or less stitches, you won't be able to complete the repeats of the chart.

BODY

With one strand of Amigo XL in Col. B, and one strand of Glitter Deluxe in White, cast on 88 (96, 104, 112) sts on 5mm (US 8) circular needles. Join the round and place a sm. Work 44 (48, 52, 56) sts and place another sm for the side (use a different one to remember which one is the BOR marker and which one is the side marker).

Rnd 1: Purl all.

Rnd 2: Purl all.

Rnd 3: Knit all.

Rep rnd 3 for 41 (49, 53, 57) rnds or until piece measures 18 (22, 24, 26.5) cm / 7" (8.5, 9, 10)" approx. from cast on edge.

Rnd 42 (50, 54, 58): K all to 2 sts before BOR sm. Cast off 4sts, removing the sm when you pass it.

K until 2sts before the side marker, cast off 4, removing the sm when you pass it, and k all until the end of row.

Here, you've split front and back. You should have 40 (44, 48, 52) sts for each one. Place the ones you worked first on a separate cable or scrap of yarn, as these will be the back, and we'll work them later.

FRONT PIECE

Cut Col. B yarn and with WS facing you, attach Col. A (we're still working with Glitter Deluxe in White).

Row 43 (51, 55, 59): Purl all.

Row 44 (52, 56, 60): K2, ssk, k until 4sts remain, k2tog, k2. You've decreased 2 sts and should have 38 (42, 46, 50) sts on your needles.

Row 45 (53, 57, 61): Purl all.

Row 69 (77, 83, 91): P all.

Row 70 (78, 84, 92): Cast off knit wise.

Join front and back by the shoulders with the horizontal invisible seam.

SLEEVES

Repeat for both sides.

Locate the 4 sts you cast off for the armhole. Starting at the center left one, start picking up sts around the armhole in Col. A and Glitter Deluxe in White.

Pick up 44 (44, 50, 56) sts. Place a sm to indicate the BOR, as you'll be knitting in the round.

Rnd 1: K all.

Rnds 2 to 4 (4, 5, 5): K all.

Rnd 5 (5, 6, 6): K1, k2tog, k all to 3 sts before sm, ssk, k1. You decreased 2 sts, and should have 42 (42, 48, 54) sts.

Rnds 6 to 40 (44, 54, 65): Rep rnds 1 to 5 (5, 6, 6). After the 2nd repeat, change from Col. A to Col. B.

You should've decreased the 2 sts 8 (8, 9, 10) times, and end up with 28 (28, 32, 36) sts.

For the next 2 rnds, p all.

Cut Col. B yarn and attach Amigo XL in Col. C (continue working with Glitter Deluxe in White). You'll start working the ruffle from the chart or written instructions.
On Rnd 5, attach Glitter Deluxe in Smaragd Green and continue working with it until cast off.

NECKBAND

Starting at the left shoulder seam, and with Amigo XL in Col. A ONLY, pick up 52 (56, 64, 72) sts around the neckline.

Place a sm to indicate BOR, and p all for 2 rnds.

Cast off loosely knit wise.

Ruffle

Turn the sweater upside down, with the lower hem upwards.

With one strand of Amigo XL, Col. C, and one strand of Glitter Deluxe in White, and starting at the left shoulder seam, pick up one stitch on each stitch of the first row of the neckband. You'll have to place the yarn on the RS, and pick the sts by lifting the loops of each stitch on the neckband.

If you do it correctly, there should not be any white yarn on the WS of the sweater.

Make sure you end up with the same number of sts you had on the neckband, or with a number that is a multiple of 4.

Work from the chart or written instructions.

LOWER RUFFLE

With Amigo XL, Col. C and Glitter Delight in White, and in the same manner as you picked the sts for the neck ruffle: sweater upside down, picking one st per st of the first rnd by lifting the stitch, not inserting the needle from RS to WS, work from the chart or written instructions.

Heart Details (Optional)

With a darning needle, and yarn in preferred color, count from the right corner (facing you) of the front, 8 rows up and approx 4 sts to the left, and work one duplicate stitch.

Count 6 sts to the left on the same row, and work another duplicate stitch.

Continue until you get to the left side (facing you).

Count 7 sts up, and locate the central column between the duplicate sts you worked before, and work another row of duplicate stitches in the same manner as the first one.

Repeat for as many rows as you like!

CHART

Rnd 4: K all.

Rnd 5: *k2, yo, k5, yo, k1*. Rep until end of rnd. (Add Glitter Deluxe in green from now on).
