(The square will now consist of 15 rounds , with a total of 8 colors)

NOW MAKE TWO MORE OF THESE SQUARES - you need a total of three!

Assembling the three squares

With color (H):

Start with two of the squares.

Place them on top of each other so the wrong sides touch.

Work a sl st through both corner spaces at the same time, then continue to crochet the two squares together with sl sts

In the end, two of the sides will be joined

To attach the third square, connect it to one of the squares already joined in the same way as just described.

THE BAG STRAP

Now that the bag is assembled, it will have a square bottom and a V-shaped top.

In the one V-shaped top, work the following: ch 3 three stitches from the corner, 2 dc, 2 sl sts in the ch-space, 3 dc, ch 1 to finish

Turn your work, 8 sc, ch 1

Turn your work, 8 sc, ch 1

Continue like this until the strap is about 40-50 cm (15.7"- 19.7") long.

Finishing and attaching the strap:

1 sl st in the first stitch, Ch 3, 2 dc, 2 sl sts, 3 dc

Now make sure the strap is not twisted and attach it to the bag with 8 sl sts

Enjoy!
