PATTERN INFORMATION

Only 10-15 g of yarn is enough to make this bow! So, you can make several bows from one skein. After all, this bow is so cute that dog owners may want a similar accessory for themselves :) The bow is worn over a collar (hair hoop or choker) so it's easy to remove to wash when needed.

Used stitches: slip stitch, chain, single crochet, back post single crochet, half double crochet, double crochet, double crochet 2 stitches together, picot.

INFO AND TIPS
This bow can be made in just one hour. This is a cool last-minute gift!
I used acrylic yarn because it is durable, easy to care for and dries quickly. Also, I used a smaller hook than recommended on the yarn label. Thanks to this, the bow holds it's shape better.

BOW
Row 1 (right side): Ch25 (counts as ch22 + dc), dc in 4th ch from hook, dc in next 21 chains. (Total: 23 dc). Turn the work (now and each row).
Note: Rows 2-8 work in FLO/BLO: even rows in FLO, odd rows in BLO. When you have "ch3 (counts as dc)" of previous row at the end of the next row, work as usual in 3rd ch of starting ch3.
Row 2: Ch3 (counts as dc), dc in next 22 dc. (Total: 23 dc).
Row 3: Starting dc2tog, dc in next 19 dc, dc2tog. (Total: 2 dc2tog, 19 dc).
Row 4: Starting dc2tog, dc in next 17 dc, dc2tog. (Total: 2 dc2tog, 17 dc).
Row 5: Ch3 (counts as dc), dc in same st as ch3, dc in next 17 dc, 2 dc in next st. (Total: 21 dc).
Row 6: Ch3 (counts as dc), dc in same st as ch3, dc in next 19 dc, 2 dc in next st. (Total: 23 dc).
Row 7: Repeat Row 2 (remember work in BLO).
Row 8: Repeat Row 2 (remember work in FLO).
Keep the work right side facing you. Continue crocheting around the piece just made.
Round 1: Ch2 (does not count as a st), dc in same st as ch2, *hdc in next 2 sts, sc in next 17 sts, hdc in next 2 sts, (dc, ch1, dc) in next st, continue crocheting along the narrower side of the bow, 2 hdc around post of starting st of row 8 (row 1, when you work along the next narrow side), 2 sc around first/last post of next 6 rows, 2 hdc around post of next st**, continue crocheting along unused side of starting ch22, (dc, ch1, dc) in next st, repeat from * to ** one time, dc in next st (where 1st dc of this round was made), ch1, drop the loop from your hook, insert hook in 1st dc from back to front, grab the dropped loop with your hook and pull through. (Total: 8 dc, 16 hdc, 58 sc, 4 ch1-sps).
Round 2: Ch1 (does not count as a st), bpsc around same st as ch1, bpsc around next 22 sts, picot, bpsc around next 18 sts, picot, bpsc around next 23 sts, picot, bpsc around next 18
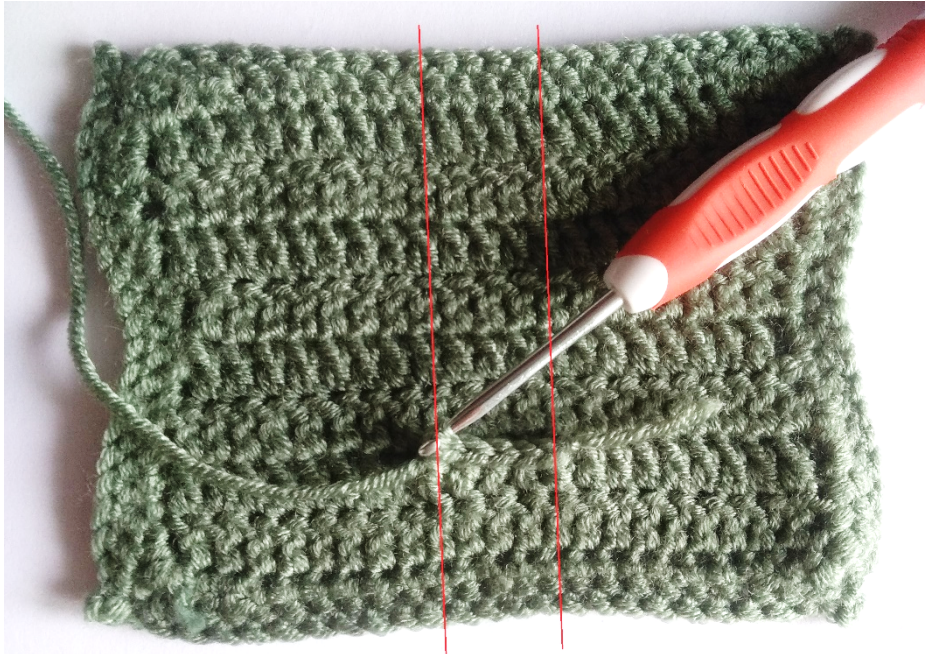

sts, picot, drop the loop from your hook, insert hook in 1st dc from back to front, grab the dropped loop with your hook and pull through. (Total: 4 picot, 82 bpsc).

Cut the yarn and secure ends. Wash in cool water. No spin. Dry flat.

STRAP

Keep the work wrong side facing you. Find 5 middle sts of Row 2 (marked with red lines in Pic 1). Make a slip knot on hook.

Row 1: 5 sc around post of 5 middle sts of Row 2. (Total: 5 sc). Turn the work (now and each row).

Picture 1

Row 2: Ch1 (does not count as a st), sc in same st as ch1, sc in next 4 sc. (Total: 5 sc).

Rows 3-12: Repeat row 2. Fasten off. Leave a tail approx. 6" (15 cm) and cut the yarn.

Note: You can do more or less repeats depending on how wide the collar is. It is necessary that the strap wraps around it completely, as shown in Pic 2 (so that it can be comfortably put on / taken off, but so that the bow does not hang too freely).
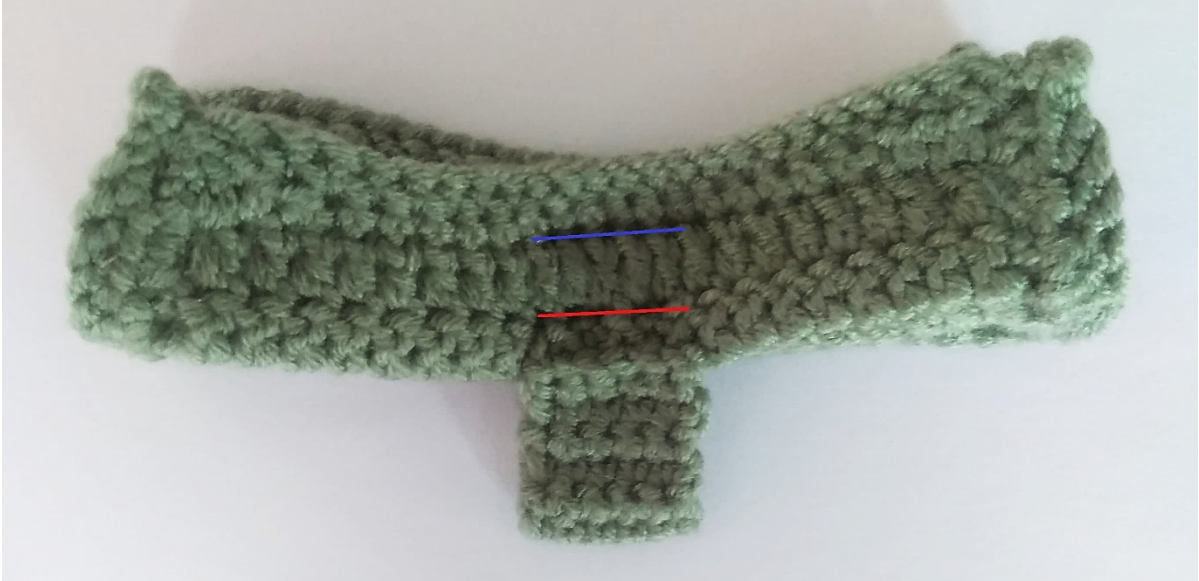

Picture 2

Keep the bow wrong side facing you. Place the strap on the bow detail. Sew it using the yarn tail to the posts of Row 7 (Pic 3).

Picture 3

Keep the strap folded in half so that the bow is also folded in half (the line between Row 4 and Row 5 is in the middle at the top). Bring the beginning of Row 1 and the end of Row 8 up to the midline at the top to form a bow (Pic 4). Sew through the bow between the lines of Rows 1-2 and 7-8 (red line in Pic 4).

Picture 4

Also make another sew (blue line in Pic 4) passing the needle between the base of Row 1, the unused front loops of Row 4 and the top of Row 8 (Pic 5). Fasten off. Cut the yarn and secure ends. Flatten the bow, giving it the desired shape.
