This is an intermediate level custom pattern, so it's perfect for dogs of all breeds and shapes.
The shell stitch adds a touch of uniqueness to the design and the adjustable tie closure allows a secure fit while still being comfortable for your dog to wear.

Row 13: ch 3, turn, dc 7 in the ch space of the first V stitch, (skip 3 ch, sc, skip 3 ch, dc 7 in the ch space of the next V stitch) x 2, skip 3 ch, sc, skip 3 ch, dc 8 in the fourth V stitch,

Row 14: Repeat Row 10. Add two more V stitches by adding: (ch 3, skip 3 sts, sc in the next st, ch 3, skip 3 sts, (dc, ch 1, dc) in the next st) x 2 times. You should have a total of 5 V stitches in this row.

SIZING

For smaller sizes:

You can skip the last rows of this pattern, stopping when the size is right for your pet! Remember your last row should always end with a Shell Stitch row, not a V stitch row. Then start making your border :)

For bigger sizes:

Keep adding V stitches on every even row and Shell stitches on every odd row. These should be your next rows:

Row 18: Repeat Row 10. Add four more V stitches by adding: (ch 3, skip 3 sts, sc in the next st, ch 3, skip 3 sts, (dc, ch 1, dc) in the next st) x 4 times. You should have a total of 7 V stitches in this row.

Row 19: ch 3, turn, dc 7 in the ch space of the first V stitch, (skip 3 ch, sc, skip 3 ch, dc 7 in the ch space of the next V stitch)x 5, skip 3 ch, sc, skip 3 ch, dc 8 in the seventh V stitch

Remember your last row should always end with a Shell Stitch row, not a V stitch row. You may need to adjust the number of chains in each lace of the border to ensure the bandana closure fits properly.

BORDER

Ch 1, turn, sc on top of every shell stitch.

For the first lace:
Once you get to the corner ch 36, sc along the chain starting from the second ch from the hook.

Continue by single crocheting an edge evenly along the left side, ch 3 on the bottom corner, single crochet evenly along the right side

For the second lace:
Ch 36 in the corner, sc along the chain starting from the second ch from the hook

Fasten off and weave in the yarn ends.

Enjoy!
