## INFO AND TIPS

Cotton Silk is a wonderful and soft yarn. This means that the work can be perceived as slippery on the needles and can contribute to a looser gauge than stated in the pattern. It can be helpful to use wooden needles so that the yarn does not slip so easily on the needles.

## BODY

Cast on 200 (220) 240 (260) sts on circular needles 3.5. Knit 1 rnd. Work 1 rnd in moss stitch\*\* (k1/p1), and then the opposite on the next rnd (p1/k1). Repeat from \*\* until you have worked approx. 3 cm (1.1") in moss stitch. Knit 1 rnd. Then work in stockinette stitch for approx. 0 (0) 2 (3) cm / 0" (0") 0.7" (1,1") or desired length. Count the stitches, and place a marker at the beginning of the rnd, mid front/back and in the side at stitch: 1, 50, 100, 150<sup>S</sup> (1, 55, 110, 165<sup>M</sup>) 1, 60, 120, 180<sup>L</sup> (1, 65, 130, 195<sup>XL</sup>). Be sure to move the markers upwards when knitting, as this makes it easier to cast off and work the pattern on the yoke. Work repeat A from column 1 to rnd 35 (applies to all sizes). Start the next batch of the pattern at column 11 (applies to all sizes) and work repeat A to rnd 35. By starting in the middle of the pattern for this batch, the dandelion flowers will not be placed directly opposite each other, but offset from each other. Work the next pattern batch from column 1 to rnd 35. At rnd 34 marked\* in repeat A for the third time, cast off/place on a stitch wire 9 sts on each side of the two side marks. The work should now measure approx. 50 (50) 52 (53) cm / 18.1" (18.5") 19" (19.6"). Put the work aside and work the sleeves.

## SLEEVES

Cast on 60 (80) 80 (100) sts on circular needles 3.5 – 40 cm / 16". Place marker. Knit 1 rnd. Work in moss stitch \*\* (k1/p1) for one rnd, and then the opposite on the next rnd (p1/k1). Repeat from \*\* until you have worked approx. 3 cm in moss stitch. Knit 1 rnd. Then continue in stockinette stitch for approx. 0 (0) 2 (3) cm / 0 (0) 0.8" (1.2") or desired length. Work repeat A twice like this: Work repeat A from column 1 to rnd 35 (applies to all sizes). Start the next batch of the pattern at column 11 (applies to all sizes) and finish repeat A to rnd 34\*. At rnd 34 for the second time in the repeat cast off 9 sts on each side of the marker mid under sleeve. The work should now measure approx. 35 (35) 37 (38) cm / 18.1" (18.5") 19" (19.6"). Make 1 more sleeve in the same way.

## YOKE

Slip sleeves on to the circular needle with the body and count the sts. The st count is now 248 (308) 328 (388). Knit 1 rnd in the main color and decrease evenly: 8 (28) 28 (48) sts. Make sure that the same number of sts are decreased between the markers so that the mid marker in the front and the back remains in the middle of the sweater. Total st count is now 240 (280) 300 (340).

The beginning of the rnd is now at the mid marker in front of the sweater. Work repeat B from column 11 (1) 11 (1) and decrease as shown. Note that the different sizes have different lengths.

The dandelion flowers will not be placed directly opposite the flowers on the body and sleeves because of the decreases, except for the pattern on each side of the mid marker on the front. Rnds marked with \* in repeat B are only worked for the sizes marked. For example, rnds 2 and 11 are not worked in size S, but only in XL, L and M.

After finishing repeat B the st count is now 72 (84) 90 (102). The yoke should now measure approx:

Size S: 19.5 cm - 7.6"

Size M: 21 cm - 8.2"

Size L: 22 cm - 8.6"

Size XL: 23.5 cm - 9.2"

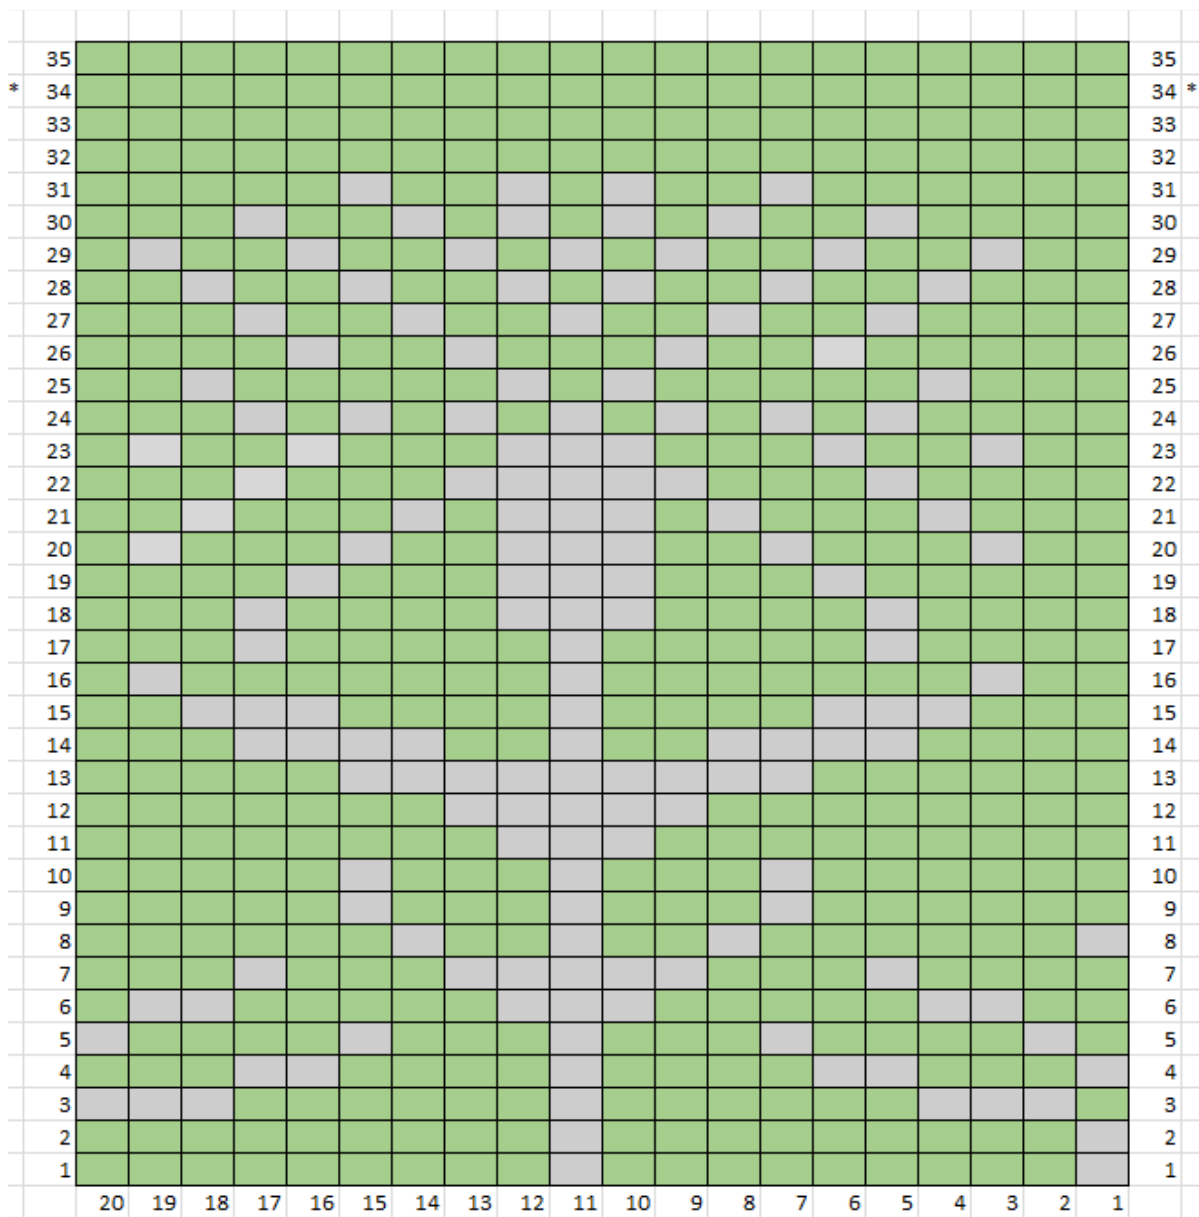

If you want a longer yoke, the desired number of rnds can be worked before cast-off.

Cast off and make sure not to tighten too much when casting off, so that you avoid the neck being uncomfortable to wear. Weave in ends, sew to close under the sleeves, wet/steam the work and block according to the measurements in the introduction.

**Congratulations! Enjoy your new Dandelion sweater!**

### Repeat A

A 35x20 grid representing a knitting chart for the "Repeat A" pattern. The chart uses a color key where green indicates a knit stitch and grey indicates a purl stitch. The chart is symmetrical, with a central panel and mirrored sections on the left and right. Asterisks are placed next to rows 34 and 35, and row 34 is also marked with an asterisk at the right edge.
