INFO AND TIPS

Ch1 at the beginning of each row doesn't count as a st. The first st is work in the same st as ch1. Ch4 at the beginning of each row counts as 1 tc. When you crochet the next row, the last st is work into the 4th.

I recommend weaving in your ends as you go. You just have to work over your ends to hide them.

How to change color: change to the next color when crocheting the last st of the row of the previous color. Work the very last "yo, pull through all loops on hook" with the color of the following row.

SHAWL

Start with color A and ch114

Row 1: work 1 sc in the second chain from the hook, and in each ch to the end of the row. Turn. (113)

BORDER

Turn to work along the ends of the rows. Work with color A around the stitches color A, and with color B around the stitches color B. Do not cut the yarn each time, just carry the unused color under stitches.
The amount of stitches can vary depending on your tension. Be sure to don't make too much or not enough sc to avoid ripple or shrink.
I work like this 1 sc in each sc side, and 3 sc around each ch 4 and tc.

Work the border in sc until the end of the long side. Finish with a sl st in the last st. Fasten off and weave in ends.

Rejoin the yarns and work the other long side in the same way.

FINISHING ARMHOLES

With the wrong side facing you. On top of the armhole, join the yarn of the corresponding color in the first st. *Work 1 sc in each st/ch to the next tc, ch 3, skip 1 st* repeat all around the armhole, changing color at the bottom of the armhole. You will have 4 (5) buttonholes. Still with the wrong yarn facing, sew the buttons in front of each buttonholes.

Row 5: ch1, work 1 sc in each st to the end of the row. (33 sts)

Row 8: ch1, work 1 sc in each st and ch-sp to the end of the row. Change to color A. Turn. (33 sts)

Rows 9: ch1, work 1 sc in each st to the end of the row. Turn.

Rows 10 to 24: Repeat Rows 2 to 9 twice and Rows 2 to 8 one last time.

Border

Turn to work along the ends of the rows. Work with color A around the stitches color A, and with color B around the stitches color B. Do not cut the yarn each time, just carry the unused color under stitches.

The amount of stitches can vary depending on your tension. Be sure to don't make too much or not enough sc to avoid ripple or shrink.
I work like this 1 sc in each sc side, and 3 sc around each ch 4 and tc.

Work sc until the end of the long side. Secure and cut color B.
Turn and work sl st with color A into each foundation ch.
Turn again and sc along the long side in the same way that the first side, joining B when needed. Secure and cut color A.

Turn one last time and work slst with color B in the last short side. Join in round with a sl st. Secure and cut color B.

FINISHING

Wash your shawl and your pockets. Lay the shawl flat and pin it according to the measures. Lay the pockets on top of the shawl where they'll be sewn (the part without lace). This allows the pockets to be the same size as their final places. Let it dry to block your work.

Sew the pockets to the shawl. Make sure to sew the pockets respecting the undulations of the pattern. Weave in ends.

Dare and unleash your stitches!
