PATTERN INFORMATION

Welcome to the Desert Bloom Shawl!

This knit shawl, created using the half-pi method, combines lace and textured stitches with spring-inspired color blocking. The result is a stylish and simple half-circle silhouette. A half-pi shawl forms a graceful half-circle shape. Starting with a garter tab, it deviates from the conventional triangle shawl by increasing as the row count doubles, allowing for elegant lace panels without added complications.

Because this pattern involves a few intermediate stitches that can be learned easily and lace repeats that are simple to memorize, it can be comfortably handled by those in the upper beginner skill level.

- **Simple Stretchy Bind-off:** K2 stitches, insert the left needle into the front of the two stitches you just worked, wrap the back needle and knit them together (k2tog tbl). K1, k2tog tbl. Continue until all sts are bound off. A good video for this can be found [here](#)
