## PATTERN INFORMATION

This pattern can be made in either a scarf size or a shawl size.  
The pattern starts by working a square. Each side of the shawl/scarf will then be worked off of opposite sides/corners of the square. The pattern uses basic stitches such as chains, single crochet, double crochet and decrease stitches.

With the stated number of skeins you can make both the shawl and scarf versions.

## INFO AND TIPS

- Once the initial square is made using one color, each side of the shawl/scarf is worked off of opposite sides/corners of the square and two colors are used.
- When a color is not being used, carry it up the side of the work until it is needed next.
- Parentheses ( ) indicate a set of stitches all worked into the same stitch/space.
- Brackets [ ] indicate repeating that set of instructions the stated number of times or around.
- The (ch 2, sc to first st to join) at the end of each round of the square counts as a ch-3 corner space.
- The center square is worked in turned rounds.
- The scarf uses 430 m / 470 yds of Color A (Yellow) Dahlia Mixo and 206 m / 225 yds Color B (White) Friends Wheel.
- The shawl uses 348 m / 380 yds of Color A (Yellow) Dahlia Mixo and 777 m / 850 yds Color B (White) Friends Wheel.
