BAND

C/on 8 sts with yarn A

(If you are working this Icord on DPN then just slide the sts to the other end of the same needle)

Row 1 – K row

Slide all your sts back on the left needle without turning your work

Row 2 – K row

Slide all your sts back on the left needle without turning your work

Repeat the first 2 rows until your piece is 1 cm – 0.39” shorter than your headband, check by sliding it in regularly.

The knit won't look very tight at the beginning, but it will after a few cm, just make sure to pull tight on the first 2 sts of each row.

C/off all 8 sts, pull the band to reach the end of the headband and sew shut each ends around the headband, cut the yarn and make secure.

To finish, attach the lot to the headband in few different places to make it very secure.

Weave in all ends.
