INFO AND TIPS

This pattern is written in US Terminology.

This pattern is written in crochet shorthand. Examples: "HDC 1" means to half double crochet in the next stitch and "HDC 30" means to half double crochet into the next 30 stitches.
"INC 4" means to increase in the next 4 stitches.

CH 1 does not count as a ST.

The entire pattern is worked using two strands of yarn held together.

If you prefer a no-sew method to attach the zipper, then check out this **tutorial.**
