## INFO AND TIPS

- Pattern uses 2 strands held together
- Ch 3 counts as a double crochet throughout the pattern. You can use a standing double crochet instead if you prefer
- Each ch 2 marks a corner space
- Each round increases by 16 stitches. Therefore each side increases by 4 stitches (not including the ch 2 corner spaces).
- All odd numbered rows are right side facing, all even numbered rows are wrong side facing.

## Make 2

**Round 1 [RS]:** Starting with a magic ring, ch 3 (counts as dc here and throughout), 2 dc into the ring, ch 2, \*3 dc into the ring, ch 2\* repeat 3 times, slst to top of ch 3, turn and slst into ch 2 sp, {3 dc per side}

**Round 2 [WS]:** ch 3, 1 dc back into the corner sp, \*dc in each st to the corner sp, (2 dc, ch 2, 2dc) in the corner sp\* repeat 4 times, omit last 2dc in corner sp, slst to top of ch 3, turn and slst into ch 2 sp, {7 dc per side}

**Round 3 to Round 12 (13, 14) (15, 15, 16) (17, 18, 19):** Repeat round 2. Do not fasten off the 2nd square, proceed onto the body . {47 (51, 55) (59, 59, 63) (67, 71, 75) dc per side}

## Body

### Separation

Carrying on from the last square made with the **RS (WS, RS) (WS, WS, RS) (WS, RS, WS)** facing, dc 1 in corner sp, dc in the next **26 (29, 34) (37, 40, 44) (47, 50, 54)** sts, PM in the base of the last st worked, sk the next **89 (95, 97) (103, 97, 101) (107, 113, 117)** sts (does not include corner chs), dc in the next st, PM in the base of the last st worked, dc in the next **25 (28, 33) (36, 39, 43) (46, 49, 53)** sts, dc in corner sp,

Now grab the second square making sure the **RS (WS, RS) (WS, WS, RS) (WS, RS, WS)** is facing, dc in any corner sp, PM in base of last st worked, dc in the next **26 (29, 34) (37, 40, 44) (47, 50, 54)** sts, PM in the base of the last st worked, sk the next **89 (95, 97) (103, 97, 101) (107, 113, 117)** sts (does not include corner chs), dc in the next st, PM in the base of the last st worked, dc in the next **25 (28, 33) (36, 39, 43) (46, 49, 53)** sts , dc in corner sp, PM in the base of the last st worked, slst to ch 3, turn, {**108 (120, 140) (152, 164, 180) (192, 204, 220)** dc}

**Round 2 to Round 29 (29, 28) (28, 27, 27) (26, 26, 26):** ch 3, dc in each st around, slst to top of ch 3, turn {**108 (120, 140) (152, 164, 180) (192, 204, 220)** dc}

Fasten off.

### Seaming the sleeves

With the right side facing, use the mattress stitch to seam together the sleeves. Start at the underarm in the stitches marked with a stitch marker and end at the end of the sleeve, connecting the corner chs too. Repeat for both sides.

### Seaming the head opening

At this stage, it is up to you how many stitches you want to seam together. The more stitches you seam together the more coverage you will get for your chest and back. I suggest seaming together 10 (12, 13) (14, 12, 14) (16, 18, 20) sts.

Using the mattress stitch, start at the marked stitches and seam together the suggested stitches or however many to get your desired fit. Repeat for the front and back.

Enjoy!
