PATTERN INFORMATION

The pattern of this shawl includes 4 designs of Large Motifs made in rounds. You can use them all according to the pattern diagram using the colors indicated or break up your own scheme of combining designs and colors for making something unique! Beginners can keep things simple by choosing just 1 color and 1 design (or 2 staggered). This shawl is really fun to crochet! It requires some effort to follow the original diagram, but the work goes very quickly, especially thanks to the use of simple stitches. Experiment and enjoy!

Stitches used: slip stitch, chain, single crochet, spike single crochet, half double crochet, double crochet, treble crochet, picot.

INFO AND TIPS

Frozen flower shawl consists of Large (1, 2, 3 and Flower) and Small Motifs joined-as-you-go in the last round and a border. All motifs joined together according to the diagram below. You may find the diagram at the end of the pattern: it's easy to print it.

Numbers 1, 2, 3 and F in the circles correspond to Large Motifs. Colors of the circles correspond to the colors of the yarn; small colorful dots are Small Motifs.

Please use the color chart to read the diagram:

SHAWL

Start crocheting with the Large Motifs. I recommend starting at the bottom peak and crocheting Motif 1 in col. 113, Motif 2 in col. 31, Motif F in col. 85 and joining them in the last round of Motif 3 in col. 05. Please read the Joining paragraph before starting the last round of Motif 3.

Keep going, adding line by line on the top of the shawl: this way you can stop if you think your shawl is already big enough. When all the Large Motifs are completed, move on to crocheting the Small Motifs. After all the motifs are done, finish the work with the border. Have fun!

Cut the yarn and secure ends.

JOINING

Large Motifs are joined to each other at two points each. 3 Large Motifs in the corners of the shawl are attached to 1 Large Motif each (right, left or top). Motifs placed along the top line of the shawl - up to 3 Large Motifs each. 12 Large Motifs on the sides (6 right and 6 left) are attached to 2 Large Motifs - top and left/right respectively. All the Large Motifs inside the shawl are attached to the 4 Large Motifs (above, below, right and left).

In order to connect motifs to each other, it is necessary to place the motif in the appropriate place of the diagram and join it with others in the counterclockwise direction, joining one peak to another. To do this, at the point of joining, make *ch1, sc in the opposite ch3 of another motif, ch1* instead of ch3 as many times as the number of joining points needed. Let's consider this in more detail using the example of Motif 3 in col. 05:

When Motifs 1, 2, F are completed, make rounds 1-4 of Motif 3. The numbers on the diagram indicate the sequence of attachment points of Motif 3 to the other three. The two red dots on top of Motif 3 are two peaks (ch3-sps) that remain free at this stage of the work. So, to join the motifs according to the indicated scheme, crochet [Round 5 of Motif 3](#) as follows: Ch4 (count as dc + ch1), sk 2 dc, dc in next dc, (2 dc, ch3, 2 dc) in next ch3-sp, dc in next dc, ch1, sk 2 dc, *dc in next dc, 2 dc in next ch3-sp, {ch1, sc in opposite ch3-sp of Motif 1/2/F (means points 1-6), ch1} instead of ch3, 2 dc in same ch3-sp as previous 2 dc, dc in next dc, ch1, sk 2 dc* 6 times, dc in next dc, (2 dc, ch3, 2 dc) in next ch3-sp, join with a sl st to 3rd ch of starting ch4.

Use a similar way to join Large Motifs together.

Note: If you find it a bit difficult to do the final round when the Flower motif is already joined to other motifs, try to work it completely and join the other motifs to it.

SMALL MOTIFS

When all Large Motifs are completed, let's crochet Small Motifs. The Small Motifs placed on the right and left edges of the shawl join as-you-go in Round 2 to the three Large Motifs in the sequence shown in Picture 1. The Small Motifs placed inside the shawl join as-you-go in Round 2 to the four Large Motifs as shown in Picture 2. Round 1 works the same for both ways.

Magic ring and pull up a loop,

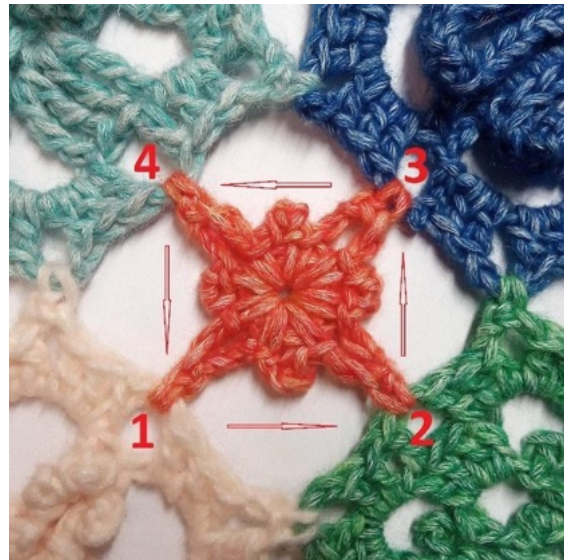

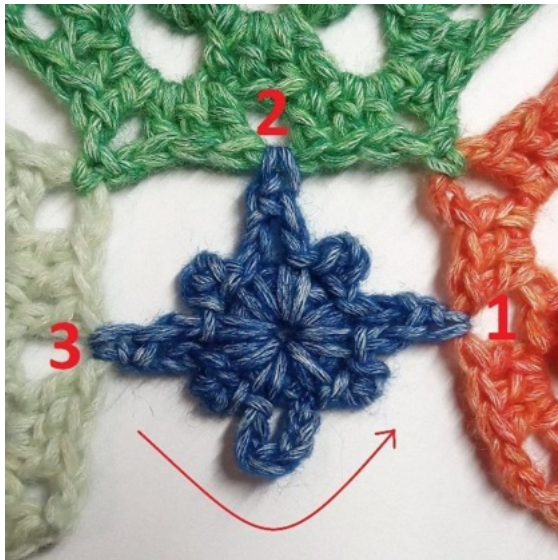

Rnd 1: Ch1 (does not count as a st), 8 sc into the ring, join with a sl st to 1st sc. (Total: 8 sc).

Rnd 2 (join to THREE motifs – pic 1):

Ch1 (does not count as a st), spike sc into the ring, picot, spike sc, ch5, (spike sc, picot, spike sc, ch2, sc in ch1-sp of Large Motif, ch2)x3, join with a sl st to 1st spike sc. (Total: 8 spike sc, 3 sc, 4 picot, 1 ch5-sp, 6 ch2-sps).

Rnd 2 (join to FOUR motifs – pic 2):

Ch1 (does not count as a st), (spike sc into the ring, picot, spike sc, ch2, sc in ch1-sp of Large Motif, ch2)x4, join with a sl st to 1st spike sc. (Total: 8 spike sc, 4 sc, 4 picot, 8 ch2-sps).

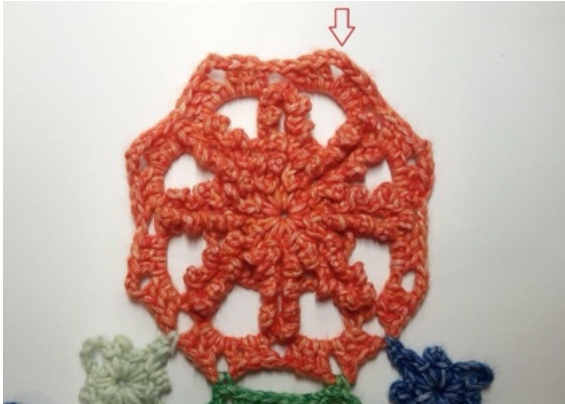

BORDER

Rnd 1 (col. 113): Slip knot, 3 sc in marked ch3-sp, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x3 omitting last 2 sc, continue working along the short side of the shawl: *ch4, sc in ch5-sp of Small Motif, ch4, sc in next ch3-sp, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x3 omitting last 2 sc* 6 times, continue working along the corner Large Motif: ch4, sc in ch5-sp of Small Motif, ch4, sc in next ch3-sp, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x6 omitting last 3 sc, continue working along the top side of the shawl: *ch1, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x3 omitting last 3 sc* 13 times, continue working along the corner Large Motif: ch1, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x6 omitting last 2 sc, continue working along the short side of the shawl: *ch4, sc in ch5-sp of Small Motif, ch4, sc in next ch3-sp, (sc in next 3 sts, sc in next ch1-sp, sc in next 3 sts, 3 sc in next ch3-sp)x3 omitting last 2 sc* 6 times, ch4, sc in ch5-sp of Small Motif, ch4, sc in next ch3-sp, continue working along the motif you started: (sc in next 3 sts, sc in next
