## PATTERN INFORMATION

The Shiny Blossom t-shirt is a quick and easy  
project with very little assembling.

The whole thing is worked from one side to  
the other in one piece and needs to be sewn  
together only on the sides and the sleeves.  
The fit is cozy and a bit oversized. It can be  
worn in summer and other seasons as well.

All stitches used in this pattern are  
beginner-friendly.
