10.5 sts x 14 rounds/rows stocking st, with yarn held double
on 9 mm needles = 10 x 10 cm

15 sts ribbing with yarn held double on 6 mm needles
(lying flat) = 10 cm

Check your gauge by working a swatch.

Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND YOUR SIZE

1. Measure a knitted garment that fits you.
2. Compare your measurements with those in the pattern.
3. Select your size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as desired.

The jumper is worked from the bottom up. Work the body and sleeves first, then join the pieces together into a yoke which is finished with raglan decreases. The neckline is worked last.

NOTE! The entire garment is knitted with 1 strand of each yarn held double.

BODY

Cast on 128 (142) 156 (168) 180 sts using 9 mm needles. Work stocking st in the round. PM between 2 sts in each side (= SM) = 64 (71) 78 (84) 90 sts for the front and back pieces. R begins at one SM (you may want to choose a different colour for this m).

When your work measures approx. 14 cm, decrease 1 st on each side of each SM like this:

Begin at the first m, and *k1, k2tog, k until 3 sts remain before the next m, k2tog tbl, k1*, repeat from *-* once more = 124 (138) 152 (164) 176 sts.

Repeat the decreases every 10 (11) 12 (13) 13 cm another 2 times = 116 (130) 144 (156) 168 sts (= 58 (65) 72 (78) 84 sts on front and back pieces).

When the piece measures approx. 44 (49) 51 (54) 55 cm, or your preferred length, cast off 14 stitches in each side for the armholes (= 7 sts on each side of each m) = 44 (51) 58 (64) 70 sts on the front and back pieces.

Leave sts on needle and work the sleeves.

SLEEVES

Cast on 36 (38) 40 (40) 42 sts using 6 mm needles. Work a rib (k1, p1) in the round for 8 cm.

PM around first and final sts = underarm marker stitches (UMS).

Change to 9 mm needles. Continue with stocking st in the round, **while at the same time** increasing 1 st on each side of each m st on R1 = 38 (40) 42 (42) 44 sts.

NOTE! Increase by using **m1l** after the UMS and **m1r** before the UMS. (See illustration at the end of this pattern.)

Repeat this increase every 6.5 cm for a total of 7 times = 50 (52) 54 (54) 56 sts.

When your work measures approx. 48 cm, or your preferred length, cast off 14 sts under each sleeve (= UMS and 6 sts on each side) = 36 (38) 40 (40) 42 sts.

Lay the piece to one side and work one more sleeve in the same way.

YOKE

Place left sleeve, front piece, right sleeve and back piece on one set of 9 mm needles = 160 (178) 196 (208) 224 sts.

PM in each transition = 4 markers (= TM). R now begins in the transition between the back piece and left sleeve.

NOTE! Read the following paragraph carefully, as you will be making your neckline decreases before finishing all the raglan decreases.

Continue with stocking st as before. At the beginning of R2, decrease for raglan at each TM:

k1, slip 1 st k-wise, place the st back onto your left needle (you will see the st is now "twisted") and k2tog tbl. K until 3 sts remain before the next TM, k2tog, k1, repeat from *-* to end of R = 8 st decreased (2 sts between decreases in each transition).

Work 3 (2) 1 (1) 1 R without decreasing. On the next R, repeat the raglan decreases as before = 144 (162) 180 (192) 208 sts. You will now repeat the raglan decreases on every other R, another 6 (8) 10 (10) 11 times = 96 (98) 100 (112) 120 sts.

On the next R, cast off 14 (15) 16 (16) 18 centre front for the neckline = 82 (83) 84 (96) 102 sts.

Work to end of R and cut yarn. R now begins at the front by the neckline.

Begin with a R from the RS. You will now work flat in stocking st (= K from RS and P from WS), and continue the raglan decreases on every other R as before. **At the same time,** continue to decrease for neckline at the beginning of each R: Cast off 3 sts once on each side, 2 sts once on each side, then 1 st on each side until you have made a total of 14 (16) 18 (18) 19 raglan decreases on the back piece (= 6 times after the neckline cast-off in all sizes). Continue decreasing for raglan on the front piece for as long as you have enough sts left. The neckline decreases run over the raglan decreases in front.

Cast off.

NECKLINE

Make sure to work the neckline nice and tight, for the right look and length for this garment (see gauge for ribbing).

Pick up 70 (72) 74 (74) 74 along the neckline using 6 mm needles. Work a rib (k1, p1) in the round for 10 cm.

Cast off loosely using K and P sts.

ASSEMBLY

Join underarm seams. Fold the neck double to the inside and sew down with loose stitches.

M1R AND M1L

M1r: Pick up the strand between 2 sts, place it on left needle as shown in picture, work through the back loop.

M1l: Pick up strand between 2 sts, place it on left needle as shown in picture, work the front loop.
