ABBREVIATIONS

ch = chain
sl st = slip stitch
sc = single crochet
dc = double crochet
tr = treble crochet
fp = front post
mr = magic ring
dec = decrease
Inc = increase

WAISTBAND

Start with Winter Glow yarn: This is the color you'll use for the waistband. It's labeled as "color 13" in your yarn. Chain a certain number of stitches: Depending on the size you're making, you'll chain a specific number of stitches. For example, if you're making the smallest size, chain 97 stitches. The numbers in parentheses are for larger sizes.

Ch 97 (104, 106, 110, 118).

Row 1: Starting from the 2nd chain from the hook, sc 96 (103, 105, 109, 117)

Rows 2-5: ch 1, turn, sc 96 (103, 105, 109, 117)

For sizes 8 and 10 years add 2 more rows: So, repeat the process of chaining 1, turning your work, and single crocheting the same number of stitches for rows 6 and 7. The number of stitches remains the same as indicated in the parentheses.

Rows 6-7: ch,1 turn, sc - (- , - , 109, 117).

After completing the waistband, you'll continue crocheting the skirt directly without cutting the yarn. This means you'll keep using the Winter Glow yarn to start the next part of the pattern.

SKIRT

Row 6: ch 4, turn, (tr 2, inc) until the end of the row.

Row 7: ch 4, turn, (tr fp, tr) until the end of the row.

Now, we're connecting both sides together with a slip stitch so that we can continue working in rounds for the next rows.

Round 1: ch 4, tr until the end of the round and sl st to join.

Round 2: ch 4, (tr fp, tr) until the end of the round and sl st to join.

For each size:

2 years: Repeat round 1 and 2 for rounds 3 to 12.

4 years: Repeat round 1 and 2 for rounds 3 to 14.

6 years: Repeat round 1 and 2 for rounds 3 to 16.

8 years: Repeat round 1 and 2 for rounds 3 to 18.

10 years: Repeat round 1 and 2 for rounds 3 to 20.

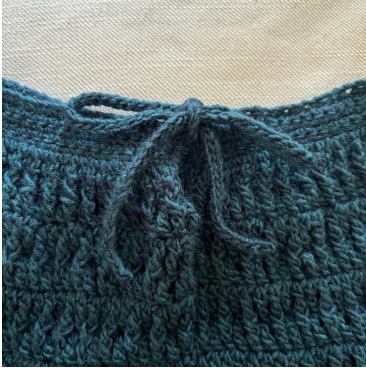

Feel free to add more rounds for your desired length. After completing the desired number of rounds, cut the yarn, fasten off, and weave in the ends.

To attach the laces for closing the skirt:

- Pull up a loop in the back corner of the waistband and chain 51.
- Then slip stitch 50 times, starting from the second chain from the hook.
- Make a knot and weave in the ends.

GRANNY SQUARE

With Soft Alpaca. Alternate for each round col. 39, col. 34 and. col. 41

Start with a Magic Ring (mr): This creates the center of your granny square.

Round 1: ch 3 (counts as a dc), dc 2, ch 2 to create a corner, (dc 3, ch 2) x 3 times. Sl st to join the round.

Attach the next color in the corner.

Round 2: ch 3 (counts as a dc), dc 2, ch 2 to create a corner, dc 3, ch 1. In the next corner space, work 3 dc stitches, ch 2, and then work 3 more dc stitches into the same corner space. ch 1. Repeat this pattern in each corner around, joining with a sl st at the end of the round.

Continue adding rounds: Continue adding rounds in the same manner, crocheting a 3 dc cluster in every ch space followed by a ch 1. For example, in Round 3, you should crochet one 3 dc cluster in between corners, then in Round 4, crochet 2 dc clusters, and so on.

The number of rounds you'll need depends on the size you're making:

For size 2 years: 13 rounds. (25 cm x 25 cm / 10" x 10")

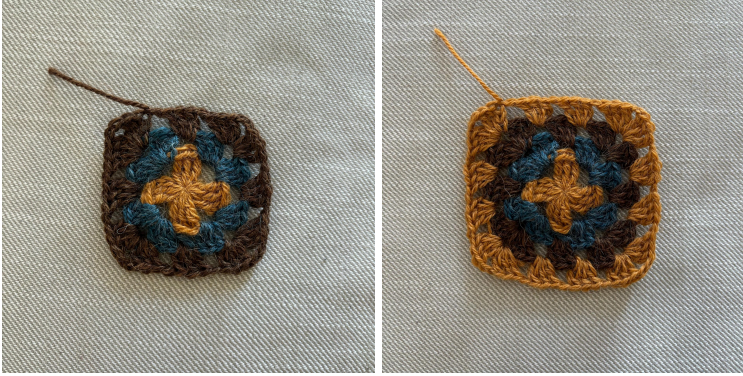

For size 4 years: 14 rounds. (27 cm x 27 cm / 10.6" x 10.6")

For size 6 years: 15 rounds. (28 cm x 28 cm / 11" x 11")

For size 8 years: 16 rounds. (29 cm x 29 cm / 11.4" x 11.4")

For size 10 years: 17 rounds. (31 cm x 31 cm / 12.2" x 12.2")

MUSHROOM PATCH

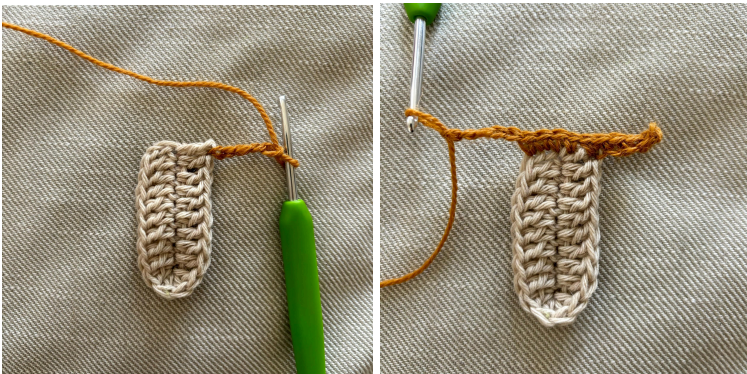

With Soft Alpaca. Begin by chaining 13 stitches with col. 45

Round 1: dc in the fourth chain from the hook, dc in the next 7 stitches, dc 4 in the last stitch, dc 9 in the other side of the chain.

Switch to col. 39. Now, you'll work in rows instead of rounds. Attach your yarn to the last stitch of the previous round and chain 5.

Row 1: sc 4 starting from the second ch from the hook, sc 5 on top of the st of the mushroom, ch 5

Row 2: turn, sc 13

Row 3: ch 1, turn, sc 13

Row 4: ch 1, turn, dec, sc 9, dec

Rows 5-6: ch 1, turn, sc 11

Row 7: ch 1, turn, dec, sc 7, dec

Rows 8-9: ch 1, turn, sc 9

Row 10: ch 1, turn, dec, sc 5, dec

Row 11: ch 1, turn, dec, sc 3, dec

Row 12: ch 1, turn, dec, sc, dec

Row 13: ch 1, turn, sc 3

Cut the yarn and fasten off.

Go around the hat of the mushroom with single crochet stitches to give it a neat finish.

Use a yarn needle and col. 45 yarn to sew the patch onto the granny square. Position the patch where you want it, then sew around its edges, making sure to catch both the patch and the square with your stitches. Knot and weave in the yarn at the back to secure it.

STRAPS & ASSEMBLY

To attach the granny square to the skirt, start by using stitch markers to locate the frontal center of the skirt. Ensure there's an equal number of stitches on both sides. Position the granny square centrally on the skirt's front, aligning the bow at the back's center. Once satisfied with the placement, sew both pieces together using a yarn needle and yarn, joining the bottom side of the granny square to the front center of the skirt. Finally, weave in any remaining yarn ends to tidy up the project.

To crochet the straps, start with your Winter Glow Solid yarn and pull up a loop in the top corner of your granny square. Then, single crochet 11 stitches and continue working in rows.

For each row, chain 1, turn your work, and single crochet in each of the 11 stitches.

For each size:

- For 2 years: crochet a total of 55 rows.
- For 4 years: crochet a total of 59 rows.
- For 6 years: crochet a total of 62 rows.
- For 8 years: crochet a total of 64 rows.
- For 10 years: crochet a total of 68 rows.

Leave a long tail at the end for sewing the strap to the skirt. Repeat this process for the other side of the granny square.

This way, you'll have crocheted the straps with the right length for each size, and they'll be ready to be sewn onto the skirt. I prefer to sew mine into the eleven stitches near the opening at the back.

Enjoy!

Monica Nanni
