PATTERN INFORMATION

The beautiful Soferl shawl is inspired by the Bavarian national costume. It is not only a suitable match for the dirndl during Oktoberfest, but it also complements your everyday outfit in a very special way. You are free to choose your personal colors and play with the composition to find your very own style.

This versatile shawl not only acts as a visual eye-catcher, but also as a warming companion on chilly evenings. Whether draped elegantly over your shoulders or wrapped around your neck, it can be worn in a variety of ways.

The fascinating and versatile combination of the classic garter stitch structure known from typical Trachten scarves and the pattern including bubbles, cables and openwork promise a lot of variety and knitting enjoyment. With its unique pattern and color mix, the finished shawl is sure to attract attention.

FINISHING DETAILS

Weave in all ends.

Wash the finished shawl and stretch it out. You do this by laying it on blocking mats, alternatively on towels, pulling it into shape and fixing it with pins. This way, the patterns show themselves at their most beautiful.

Enjoy!
