PATTERN INFORMATION

- This pattern is suitable for more experienced crocheters.
- Each face of the cube is worked with a special crochet technique: back loop, bobble stitch, waffle stitch, basket stitch, front and back loop double crochet.
- The cube's faces are then sewn together.
- Pictures and illustrations show how to work each stitch

INFO AND TIPS

Bo (7-dc cluster): Yarn over, insert hook in indicated st, yarn over and draw up a loop, yarn over and draw through 2 loops on hook (2 loops remain on hook), (yarn over, insert hook in *same* st, yarn over and draw up a loop, yarn over and draw through 2 loops on hook) 7 times (9 loops remain on hook), yarn over, draw through all loops on hook.

FPdc (front post double crochet): Yarn over once. Insert the hook from the front, around the post, coming out again at the front. Yarn over and draw up one loop. Complete the double crochet as usual.

BPdc (back post double crochet): Yarn over once. Insert the hook from the back, around the post, coming out again at the back. Yarn over and draw up one loop in the back of the piece and complete the stitch as usual.

Flp st (front side loop stitch): Hold your work as usual, and with your thumb, go behind the yarn and pull a loop at the front of your work. Insert the hook in the next stitch and draw the yarn through the stitch; with the yarn still on your thumb, yarn over the hook and draw the yarn through the 2 loops on your hook. Repeat the steps to make a row of loops.
