Joining (2 corners)

Round 6 (col. 24):

1. Connect the yarn to any ch-2 space, sc in the same space, ch 7, sc in the same space, ch 5, (sc in next ch-1 space, ch 5) four times,
2. Sc in the next ch-2 space, ch 3, sc in any ch-7 space of the finished square, ch 3, sc in the same ch-2 space of the unfinished square (photo 1 below),
3. (ch 2, sc in next ch-5 space of the finished square, ch 2, sc in next ch-1 space of the unfinished square) four times (photo 2 below),
4. Ch 2, sc in the next ch-5 space of the finished square, ch 2, sc in the next ch-2 space of the unfinished square, ch 3, sc in the next ch-7 space of the finished square, ch 3, sc in the same ch-2 space of the unfinished square (photo 3 below), finish the 6th round.

Now join 6 (7) 8 9 10 11 12 13 14 squares in a circle. Join the second row of squares.

Shoulder Straps

Mark ch-spaces for shoulders straps. 2 "3 ch-spaces" on the front side and 2 "3 ch-spaces" on the back side. (marked red and yellow pins).

Finish 2 rounds of the square pattern and start connecting the first circle to the marked spaces of the front part:

1. Connect the yarn (col. 24) to any ch-1 space, sc in the same space, (ch 5, sc in next ch-1 space) three times (photo 1 below),
2. Ch 2, sc in the first marked space, ch 2, sc in next ch 1 space of the circle (photo 2 below), ch 2, sc in the second marked space, ch 2, sc in next ch 1 space of the circle (photo 3 below), ch 2, sc in the third marked space, ch 2, sc in next ch 1 space of the circle (photo 4 below),
3. Ch 5, (sc in next ch-1 space, ch 5) five times, join with sl st to the first sc. (12 ch-5 spaces). Mark the upper three ch-5 spaces (photo 5 below) and start connecting the other circles by repeating the 1-3 steps of the shoulder straps pattern (photos 6-8 below).

Connect the last circle to the three marked spaces on the back part using the same method as used for connecting the circles. The strap is 4 (4) 4 5 5 5 6 6 circles long.

Neckline, Armholes

Connect the yarn (col. 24) to any ch-5 space of the neckline or armholes and crochet a row of ch-5 spaces around, then crochet a row of ch-3 spaces around (the last photo above).

NOTE: Adjust the number of chains if the top is too wide at the neckline and/or armholes. For instance, to create a row of ch-4 spaces around the neckline or/and armholes, followed by a row of ch-3 spaces, continue adjusting until you achieve the desired fit.

Bottom

Connect the yarn (col. 24) to any ch-space of the bottom part of the top and crochet three rows ch-5 spaces around.

Fringe Trim (optional)

Prepare yarn lengths 1 cm longer than double the desired fringe length. The required number of strands varies based on factors like the piece's width, the number of strands per section, and their spacing, which depends on your personal preference.

I prepared 7 strands for each fringe 41 cm (16.1") long. Align the desired number of strands for one section evenly and fold them in half (around 20 cm (7.9")).

Start working from the wrong side to the right side, and insert a crochet hook at the fringe placement point. Catch the folded yarn with the hook and draw it partially through to create a loop, ensuring all strands are pulled through. Draw the fringe ends through this loop using

your fingers or a hook. Tighten it securely to form a knot. Flatten the project and straighten the fringe by running your fingers through it. Trim any uneven ends with scissors.

Enjoy!
