SLEEVES

Sleeve 1

With 5 mm knitting needles CO 46 (46) 52 (58) 58 (58) sts.

Work 14 (14) 16 (16) 18 (18) rows in rib stitch (k2, p2) starting and ending the row with k1.

Sequence 1 (P1 scheme)

Right side row: k1, *p3, k1* repeat from * to * until you have 1 st left, k1.

Wrong side row: Work stitches as they appear

Now start to work P1 according to the scheme.

In the 5th row on both sides of the sleeve (after k1 at the beginning of the row, and before k1 of the end of the row) inc 1 st. Increase this way in every 6th row until the end of the sleeve.

NOTE: The inc sts will automatically join into the pattern. Make sure that there are always 3 purl sts between the knit sts, this will determine whether you will work the new stitch as k or p st.

Work 26 (28) 30 (32) 34 (34) rows.

Sequence 2 (P2 scheme)

Start working **P2** keeping in mind to inc in each 6th row (1 st on both sides of the sleeve), and that there should always be 3 p sts between k sts.

Work 26 (28) 30 (32) 34 (34) rows.

Next, repeat **P1**, and then **P2** one more time.

BO all sts.

Sleeve 2

Work like Sleeve 1 but start with **P2**.

Turtleneck

Sew the front and back pieces together at the shoulders with mattress stitches.

With 4 mm circular needles pick up approx 1 st in each st around the neckline.

Knit 34 (34) 36 (38) 38 (38) rows in rib stitch (k2, p2).

BO all sts.

Assembly

Sew the sleeves and the sides of the sweater with mattress stitches. Secure all ends.
