**Note:** Start and finish to pick up sts at the center of the head opening, on the front of the sweater **on its wrong side**.

Work 4 rounds in stockinette stitch.

In the next row start to work back and forth to create a slit in the middle of the collar.

Always work the first 2 and the last 2 sts as k sts. Work 3 rows.

To make the collar wider, you have to increase (by knitting into the front and back of the stitch) on every right side row. **Always increase in the same sts.**
