Fasten off.

## IT'S SEAMING TIME!

First let's mark the opening for the sleeves on both front and back panel with a stitch marker. Starting from the top of the panel count 18 (19, 21, 22, 24, 26, 27, 28, 29) rows going down. Put your stitch marker here. Repeat on the other side.

Leave back panel RS facing up and put on it the front panel with WS facing up. Seam shoulders together using a whip stitch, being careful to sew evenly the parts.

Sew the sides starting from the ribbing up to the armpit where we put the stitch marker.

Insert the sleeve, with right side facing, down into the body and line up the seam on the sleeve with the stitch marker on armpit. From the seam on the sleeve, count 22 (23, 25, 26, 29, 31, 32, 34, 35) stitches around and put a second stitch marker here, being careful to also pick up the seam on the shoulder. This will ensure the parts are seamed evenly.

Seam the sleeve together with the body using a whip stitch, starting from the armpit and continue around.

Repeat on the other side as well.

## COLLAR

Turn cardigan right side out.

Attach new yarn at bottom right front panel and SC around evenly, being careful to work 1 SC in each row on the front panels and 1 SC in each stitch on the back panel.

Having reached the end of the second front panel, CH 7.

ROW 1: SC in 2nd chain from hook and across, SL ST into first and second SC of front panel (6 sts). Turn your work so you're working back into the ribbing.

**Note:** *always skip the 2 SL STs when working back into the ribbing.*

**ROW 2:** SC BLO across, CH 1, turn. (6 sts)

**ROW 3:** SC BLO across, SL ST into next 2 SC on front panel, turn. (6 sts)

Continue Working ROW 2 and ROW 3 until no SC on front and back panel remain. Fasten off.

Weave in all loose ends.

**Voilà! You've finished your cardigan!**

**Enjoy!**
